## CHESAPEAKE BAY POWER BOAT ASSOCIATION

[www.cbpbpa.com](http://www.cbpbpa.com)

Over 80% of all boats registered on the Bay are powerboats! Until 1986 when the CBPBA was founded, there was no organized group dedicated solely to representing the needs of power boaters. Join with other local power boaters interested in having fun, protecting their rights and promoting safe & responsible boating on our Bay waters.

Your CBPBA membership includes a year round schedule of enjoyable activities for the entire family like poker runs, crab feasts, brunches, raft ups, and Christmas party. General Membership meetings are held on the first Tuesday of each month all year long.

Our rapidly growing membership includes non-boat owners & powerboat owners with small runabouts to large yachts. There are plenty of activities for all power boaters and their families to enjoy...
