

## School Bus Instructions

1. When arriving on campus, there are two main locations for you to drop off your students. Both locations are on Goodwin St. (yellow blocks on map).
2. The first location is going north on Goodwin St. You may park temporarily in front of Loomis Laboratory in indicated bagged meter parking.
3. The second location is going south on Goodwin St. You may park temporarily slightly north of the Ceramic's building in the bagged metered parking.
4. After dropping off students and staff at these locations, please drive to lot E-14 on Kirby Ave and park the bus in that lot. This is the designated bus parking for the event.
5. If you or any additional persons came to E-14 and need to return to the event, you may catch a shuttle at E-14 back to the Engineering Campus area.
6. Specific locations are specified below. School Bus drop offs are shown as yellow blocks on map.
