

SARCO RUGER 10/22—M1 CARBINE STOCK

Sarco now offers a M1 Carbine-type stock for the popular Ruger 10/22. Your 10/22 can be dropped in, no alterations needed. The front band has the sling swivel and stock cut out for the sling just like the original. The wood finish replicates the GI oil finish and comes with handguard, steel buttplate, sling and oiler/sling keeper.

For further information contact: Sarco, Dept. SGN, 323 Union St., Stirling, NJ 07980 or www.e-sarcoinc.com
