

**32" PLASMA TV**

**HDMI™**  
HIGH-DEFINITION MULTIMEDIA INTERFACE

**32B1AB**

SOYO's ALORA Plasma TVs deliver a stunning picture quality to home entertainment and adds an elegant touch to any decór. The entire family can enjoy a wide range of multimedia entertainment options, including broadcast, cable and satellite television programming, as well DVD movies, video and online gaming, and surfing the internet.

Incorporating advanced imaging technology features such as Digital Noise Reduction, a Digital Comb Filter and Blackness Enhancement Technology you will receive a more vivid and crisp picture than LCD TVs and will take your viewing to the next level. The ALORA Series features two powerful, built-in speakers that deliver enhanced stereo surround sound to bring you into the viewing experience. This multifunctional television can also be used as a large-screen computer display for surfing the internet, working on office or school projects, any playing online or video games.

Featuring a stylish, light weight design, the ECLIPSE Series TVs can be wall-mounted to add floor space and accent the style of any room. Bring the family together today and enjoy the crisp clarity and universal functionality of the ECLIPSE Series Plasma TVs.
