

Join SSL and our partners Wigwam & SSE for a free one-day Live L100 product and training day in Manchester

SSL and our partners are hosting a free SSL Live day at the fantastic Home Theatre in Manchester. The first part of the day will be an introduction to the new L100 compact console and newly expanded SSL Live range.

Part two will be a full SSL Live training session. This one day course is your opportunity to experience first hand the impeccable sound and advanced workflow of SSL Live consoles.

Subject areas covered include:

- Basic Specs of the System
- What is Tempest?
- Knowing The Surface
- Console Configuration
- Layer Manager
- I/O & Physical Connections
- Routing
- Live I/O Ecosystem - MADI and Dante
- SOLSA and TaCo
- The SuperQuery Concept
- Showfile Templates
- The Path
- Automation
- All Pass filters for mixing?
- FX Rack
- Mix Time

All attendees will require a laptop with Audinate's Dante Controller software pre-installed and an ethernet network port.

23rd August

11 am to 4.30pm

LOCATION:

Home Theatre
2, Tony Wilson Place,
Manchester
M15 4FN
