

# SSL Live Training - Tulsa

**Join the SSL Live team at Church On The Move in Tulsa for two days of free hands-on certified SSL Live console training**

Our friends **Church On The Move** are kindly hosting a free Live console training session in Tulsa. This two day event is your opportunity to experience first hand the impeccable sound and advanced workflow of SSL Live consoles and become certified in SSL Live console technology.

Each day offers a different course and you can ask to attend either or both training days.

These events are free to attend but numbers are limited so please request a place using our registration form.

**Church On The Move**
