

## **Telguard Classic Activation / Deactivation Form**

For models; T-1610M, T-1630M, T-1110M, T-1210M, T-3100UL

## **IMPORTANT**

(O) – Unknown Category/Other

This unit has been NAM programmed for operation anywhere in the US. However, cellular service has not been activated. Therefore you <u>MUST</u> fax this form to Telular <u>BEFORE</u> this unit will operate. If you attempt to make a cellular call on this unit before it is activated, it will be "blacklisted". This will result in a delay in cellular service of one week or more.

Unit must be activated <u>PRIOR</u> to the expiration date shown on the box label. If you need to activate the unit after the expiration date, contact the Activation Department for information at (800) 229-2326. It may also be necessary to reprogram the NAM with a new cellular phone number.

Your unit will be activated and ready to operate within 24 hours from receipt of activation form.

Due to irregularities in the cellular network, certain adjustments may be necessary for proper operation in some markets.

This completed activation form will be faxed back to you.

## Telular Corporation cannot activate a Classic account without the below information.

Installation Site Name:		Equipment Information / Programming Information (Located on label inside the enclosure)
