^a **Washoe County Residents should check with the Washoe County Air Quality Office before:**

- 1) Purchasing and installing any wood heater to obtain proper guidelines; or
- 2) The sale, transfer or conveyance of any property for additional program requirements.

^b The Washoe County District Health Department and the Tahoe Regional Planning Agency have the same numerical emission standards for wood heaters. Therefore, the wood heaters listed here are also approved for the Lake Tahoe Basin.

^c See last page of list for definitions of type and style.
