Shop online for fun & sexy fashion with attitude!

Check out VENUS.com for fabulous swimwear & up-to-the-minute fashion. Add extra heat to your sizzle with SPECIAL SALE AND DISCOUNTED ITEMS available only online. Buy with confidence using our secure online technology.

Our swimwear is designed & handcrafted in the USA.

You'll always find the latest styles, colors, and prints because virtually all VENUS® swimwear is designed & hand constructed in our own facilities, located in the very heart of beachside fashion—Florida USA.

True-to-Form[™] contemporary sizing gets you the best fit.

Select your size with full confidence. The cup size you prefer in a quality bra is exactly the one that will fit & flatter your bustline in a VENUS® swimwear top. Choose whatever "missy" size you generally wear in fashion apparel when selecting a VENUS® swimwear bottom. We have earned a reputation for offering the world's best fitting swimwear.

What's a contemporary size?

It's precisely the even-numbered size you prefer in what other companies probably call "missy." Do you like being called missy? We didn't think so. So we choose to call our sizing "contemporary", a word that's as progressive & modern as our customers.

Giving back to America—we want to share our success.

VENUS® is proud to be a major supporter of causes & charities that work on behalf of America's children in need, including the Make-A-Wish Foundation, Children's Miracle Network, Marine Toys for Tots, Autism Society of America, and many more.

Beware of imitators!

Some companies have been "borrowing" the look & feel of our VENUS® catalogs. We're flattered when others attempt to copy our success but remember we only sell under the "VENUS®" name. To continue getting our famous service and the fun and sexy fashions you love, always make sure the catalog or website clearly says "VENUS®". We do business under no other name!

OUR GUARANTEE TO YOU

We're not happy unless you are!

If you're ever unhappy with a VENUS® purchase, return it within 90 days for a prompt exchange or refund—your choice. We only ask one small favor: that you mark the appropriate "reason code" to help us improve our products & service to you.

Keep your suit clean and bright.

VENUS® Swimwear cleaner is specially designed to gently remove chlorine and oil while adding color brighteners and eliminating odors.
