Folks - obviously, the income examples shown are extraordinary. The income claims presented are not intended to serve as a guarantee of income. Instead, they're designed to give you an idea of what's possible. Success in this business - as with anything, requires leadership, hard work and dedication. Since we want to help you make an informed decision, we've gone above and beyond with our income disclosure document. If you want to see the average earnings, please see our [Full Income Disclosure](#). Make Sense?

STEP 3:

Once you've entered your information on the “intro/landing-page”, you should land on a page that takes you to a **webinar replay**. This webinar replay is about an hour long. Please **watch it IN FULL** as it will give you a great understanding of what this business is all about!

In the webinar replay you'll learn about a great company with an amazing product, and how some top marketers put together an amazing system to help sell that product.

Also – below the main webinar replay video, you may see some additional videos that will give you more information if you need it.

It should look something like this:

The screenshot shows a website interface for PowerLifePro. At the top, there is a navigation bar with the PowerLifePro logo and a 'Meet Your Sponsor' link. Below the navigation bar, there is a main heading area with the text 'Private Invite: Get Access Before We Release To The Public...' and 'Discover The Top Business Of 2016!'. The main content area features a large video player with the text 'This is the most exciting business we've ever seen...'. Below the video player, there is a yellow button labeled 'Click Here To Get Started'. Underneath the button, there are four video thumbnails: 'Erin Brockovich Interview', 'Enagic® Company Overview', 'Enagic® Water Quality Demo', and 'Enagic® Compensation Plan'. Three callout boxes with blue borders and arrows point to specific elements: one points to the main video player, another points to the 'Click Here To Get Started' button, and a third points to the four video thumbnails.

Watch webinar replay in FULL right away!

Click this button to continue ONLY after you've watched the entire webinar replay

Watch any of these videos if you need additional info

STEP 4:

Once you've watched the webinar replay, click the button below the video to get started in the business.

As you've learned in the webinar, the company with the great water machine product is called Enagic; and the awesome system that some top marketers have created to sell Enagic is called Power Life Pro (PLP).

Your PLP username is what you'll need to integrate with WCC. So, when you click the button below the webinar replay video it should ask you to create your PLP account

If you want your PLP username to be the same as your WCC username, that's fine (assuming that username is available). **MAKE SURE** you write down your PLP username and password that you've created – we'll need your username for the next step in the process!

It should look like this:

The screenshot shows a registration form titled "Fill Out Your Contact Information To Get Started!". The form includes the following fields and options:

- First Name: Testing
- Last Name: Mcghee
- Email: xtremesupport5@gmail.com
- Phone Number: 7709124736
- Username: Choose Your Username
- Password: Choose Your Password
- Country: United States (dropdown menu)
- State: What State Do You Live In? (dropdown menu)
- Continue To The Next Step button

Blue arrows point to each of these fields, indicating they should be filled out. A large blue box at the bottom of the image contains the following text:

Fill out all of the info they ask for -
MAKE SURE you remember you PLP
username & password

STEP 5:

STOP! Before you go any further and get signed up for a water machine, you have the option of taking the PLP USERNAME you just created and enter it into WCC!

You should've seen the place to do so right underneath the video that introduced you to this opportunity.

The image shows a video player interface. A callout box with a blue border and white background contains the text: "You can enter your PLP username here right now if you want to ... but you'll still have to finish the process before you're fully set up to earn commissions". Below the callout is a screenshot of a web form. The form is divided into two columns. The left column is labeled "STEP 1" and contains an orange button that says "CLICK HERE TO GET FULL DETAILS ON THE PROGRAM & TO START THE SIGNUP PROCESS (A New Window Will Open)". Below this button is a note: "Note: Check out the written instructions below if you need help". The right column is labeled "STEP 2" and contains the text "Add Your PLP Username In The Field Below & Click 'Submit'", a text input field, and a "Submit" button. Two blue arrows point from the callout box to the text input field and the "Submit" button. At the bottom of the screenshot, there is a link: "Need Help? We've written out the instructions for you in a step-by step PDF!".

Once you've entered your PLP username, it will IMMEDIATELY get populated in all of the necessary places throughout WCC (automatically).

IMPORTANT: You entering in your PLP username into WCC is NOT the end of the process because you still haven't signed up for Enagic, gotten your water machine, or entered your Enagic distributor ID into PLP!!

This means that even though your PLP username is in WCC, you won't get any commissions from Enagic because you're not done with the setup process yet.

So once you've entered your PLP username into WCC, hurry on to the next steps of the process so that you don't miss out on any commissions.

If you want to wait until the ENTIRE setup process is done, and enter your PLP username into WCC once you're fully set up to earn commissions, that's cool too. You can wait until the very end of this process if you want to... and I'll remind you again later in this document. 😊

STEP 6:

After you filled out the information on the PLP sign-up form and created your username and password, you should land on a page that looks something like this

(Note – may look a little different depending on whether or not they updated the page since the last time this document was updated)

At this point you'll want to choose the water machine you want and you'll want to decide whether you want to pay for it with your own money or via financing.

A few points of note:

- If you've got the money for your water tap machine on your check-card or credit card, then you don't have to apply for financing and you can get going right away. This is definitely the preferred option and the fastest option!

- If you can afford the highest level (K8) water machine (and you see the value in it) then get it. If you can't afford it yet, then get one of the lower level ones. You can always get a higher level water machine later if you want. Remember, you're actually buying a PRODUCT with real VALUE, that's the great thing about this. The amount of money you're going to save on bottled water and the health benefits to your family are immeasurable!
- If you have to get financing, and your credit is good, you may get more money than you need for the water machine and they may send you your financing in the form of a credit card.
- If your credit isn't so good, they may have a financing option that's more like a payment plan, and that's cool too.
- The MOST IMPORTANT THING is to do whatever you can to move your business forward! If you can afford the top machine, AWESOME! If you can only afford the bottom machine, that's awesome too! You'll still be able to earn commissions and get checks in the mail either way!

Go ahead and choose the machine you want and decide how you want to pay for it (your own credit/check card or financing)

STEP 7:

If you've decided to get financing, you should land on a page that has an instructional video on how to start the financing process.

Make sure the correct water machine you want is showing.

Again – the page may look a little different if they've changed the system since the last time this guide was updated; but it should look something like this...

make sure this is the machine you want

watch financing instructional video and follow instructions

Folks - obviously, the income examples shown are extraordinary. The income claims presented are not intended to serve as a guarantee of income. Instead, they're designed to give you an idea of what's possible. Success in this business - as with anything, requires leadership, hard work and dedication. Since we want to help you make an informed decision.

Go through the financing instructions as shown on the page. You'll be able to apply for financing. Just a quick note that once you apply, it may take a couple of days to secure your financing.

Once you've finished the application, you can click the button at the bottom of the page & that will allow you keep learning about the PLP system and complete some other training while you're waiting on your financing to come through. The key is to get AS FAR ALONG AS POSSIBLE AS QUICKLY AS POSSIBLE!

STEP 8:

If you've decided to just pay with your own money (or your financing has finally come through and it came through in the form of a credit card), then it's time to purchase your water machine.

The first thing you'll want to do is make sure you've chosen the machine you want.

A blue callout box with a white background and a blue border contains the text: "Continue filling out information and be SURE to register as a new distributor!". Two blue arrows point from the callout box to the "REGISTER" button and the "4 Billing Options" step.

As you near the end of the order process, you may see a page that asks you for your sponsor's info...

This info was found earlier on the PLP Pre-Checkout page

The screenshot shows a web form with two main sections: "Sponsor Information" and "Buyer Mailing Address". The "Sponsor Information" section includes fields for Distributor ID, Sponsor Name, Sponsor Phone, and Sponsor Email. Below these is a "Book this sale to" dropdown menu with "EWS Username" and a "Username" field. The "Buyer Mailing Address" section includes fields for Address, City/State/Zip, and Postal Code. A "Register as a Distributor?" section is at the bottom with "Yes" and "No" radio buttons. A blue callout box with a white background and a blue border contains the text: "During one of the final steps of the sign-up process, Enagic may ask you to enter your sponsor info. Remember that the correct sponsor info is found on the PLP pre-checkout page". A blue arrow points from the callout box to the "Sponsor Information" section. Below the form, a numbered list of instructions is visible: 1. Click The Button To Order Your Leveluk K8; 2. Follow The Instructions Below To Complete Your Order On The Enagic Website; 3. 6 Select **'Yes'** On Register As A Distributor And Complete All The Information.

After you fill out your sponsor's info and your mailing address (where you want them to send your machine), you'll need to check the "YES" when it asks you to register as a distributor, and you need to make sure you fill out all of the appropriate distributor information.

You'll also need to check the appropriate boxes at the bottom of the page after you've registered your distributor information

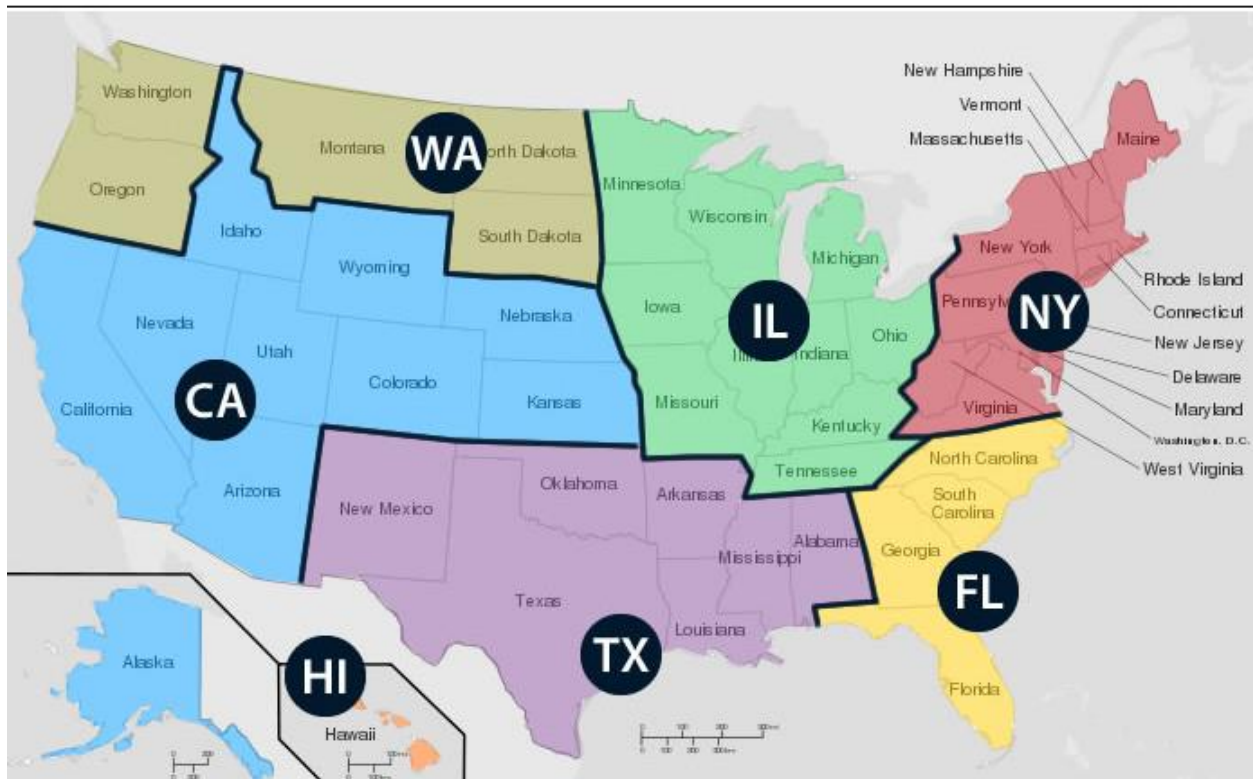

IMPORTANT: Once you've successfully completed the checkout process, you'll be able to go back to the PLP system and continue on. However, there are a few important things to note.

- Enagic may take a few days to ship your water machine. And that's ok, but what you REALLY WANT is your ENAGIC DISTRIBUTOR ID! You'll need this because you'll need to enter it into the PLP system (note I said PLP not WCC).

If Enagic hasn't called you within 2 BUSINESS DAYS (notice I said BUSINESS DAYS) then feel free to call them. Give them your name and your info and ask them for your distributor I.D.

- When calling Enagic, you MUST call the proper location. They actually have different phone numbers and different offices, and you MUST call the office that is responsible for your location geographically!

Here's a copy of the Enagic Geographic Map For The USA

So, if for example you live in Atlanta, Georgia. You would have to call the Florida office. And if you live in Kansas, your order would be coming from California and you'd have to call the California office.

They also have offices in Canada, Mexico, Europe, and numerous other places around the world.

To find the office location that you need to call, you can go here:

http://www.enagic.com/enagic_locations.php

Just in case you can't click on the link, here it is
http://www.enagic.com/enagic_locations.php

Please note that that's an _ (underscore) before "locations"
and not a "space"

Give them at least 2 BUSINESS days to process your order before you call them and ask them for your distributor ID #. But if they call you before your machine arrives, be sure to ask them for your distributor ID while you're on the phone with them.

STEP 9:

Once you've successfully placed your order (or applied for financing) you'll want to continue on to learn as much about PLP and Enagic as you can! Don't wait for your distributor ID, just go ahead and continue the learning process

First, on the PLP page where you clicked to either order your machine or apply for financing, you should see a button at the bottom of the page that says something like: "Continue to The Getting Started"

The image shows a screenshot of a website's 'Getting Started' page. The page is divided into several sections with numbered steps. A large blue callout box with a white border and black text says "Click Here to continue to the process...". Two blue arrows point from the callout box to a green button labeled "Continue To The Getting Started" at the bottom of the page. The page content includes:

- Step 1:** Click The Button To Order Your **Leveluk K8** [Click Here To Order Now](#)
- Step 2:** Follow The Instructions Below To Complete Your Order On The Enagic® Website
 - 1 Click Add To Cart and Checkout
 - 2 Click 'Register' To Become A New Customer
 - 3 Complete All Your Personal And Shipping Information
 - 4 On The Shipping Options Select 'Standard Shipping' Unless You Want To Pick It Up
- Step 3:** Click The Button Below To Start Your Training

After you complete your financing application, click the button below to continue to the 'Fast Start' training so you can learn more about your new business and get started

[Continue To The Getting Started](#)

Once you click that button, you should be taken to a page with 5 videos (assuming they haven't changed the page since this guide was written –lol)

Once you get on that page, you'll have to complete each video in order to “unlock” the next video. Just go ahead and do this NOW. Get as far along in the system as you can and watch the 5 videos so that you have a better understanding of everything. (Note: sometimes when you watch a video, it won't unlock the next one, it's just a little glitch in the system...so just refresh your page and watch the video again and it should unlock the next one when the video finishes)

Also – make sure you join the PLP Facebook group

The screenshot shows the PowerLifePro training interface. At the top, there's a navigation bar with three steps: 1. Choose Your Machine, 2. Complete Your Order, and 3. Start Your Training. Below this is a main content area with a video player showing a cardboard box labeled "YOUR OWN KANGEN BIZ". To the right of the video player, there's a "Join Our Facebook Community" button and a "Contact Your Sponsor" section. Below the video player, there's a row of five video thumbnails. The first thumbnail, "DAY 1 Welcome To The Team!", is currently playing. The other four thumbnails, "DAY 2 Launch Your Business", "DAY 3 Learn About The Products", "DAY 4 Learn About The Business", and "DAY 5 Learn About The System", are locked and have a message: "You must finish watching 'Getting Started' to unlock".

Annotations on the screenshot include:

- A blue box with the text "Join the FB Community" and an arrow pointing to the "Join Our Facebook Community" button.
- A blue box with the text "Watch all 5 videos as soon as you can." and an arrow pointing to the video player.
- A blue box with the text "Dont wait for 5 days for what can be done today!" and an arrow pointing to the "DAY 1" video thumbnail.

IMPORTANT: As I'm sure you're beginning to understand...this is a REAL BUSINESS! They have regular trainings and have invested countless dollars and hours to create the PLP system and attach it to Enagic. I wanted to attach a program to WCC that was REAL. That had a real product... real people behind it...real big commissions... and that had a place for you to seriously engage and learn and grow and be surrounded by top industry leaders. That's why I chose to attach the PLP system to WCC. Enagic has been around for DECADES, and it's an opportunity that, over time, can make you money that you can pass on to your loved ones. This won't happen overnight, but if you stick to it, it has that potential. Bottom line, this is REAL... so please treat it as such.

STEP 10:

When you get to the 5th video – you should see a place on the right-hand side to enter your Enagic distributor I.D.

You may not have this info yet, so you're now at a point where you can stop (until Enagic gets you your distributor ID). Again... if it's been more than 2 BUSINESS DAYS and you haven't heard from Enagic, go ahead and give them a call and ask them for your distributor ID.

Need Help? We've written out the instructions for you in a step-by step PDF!

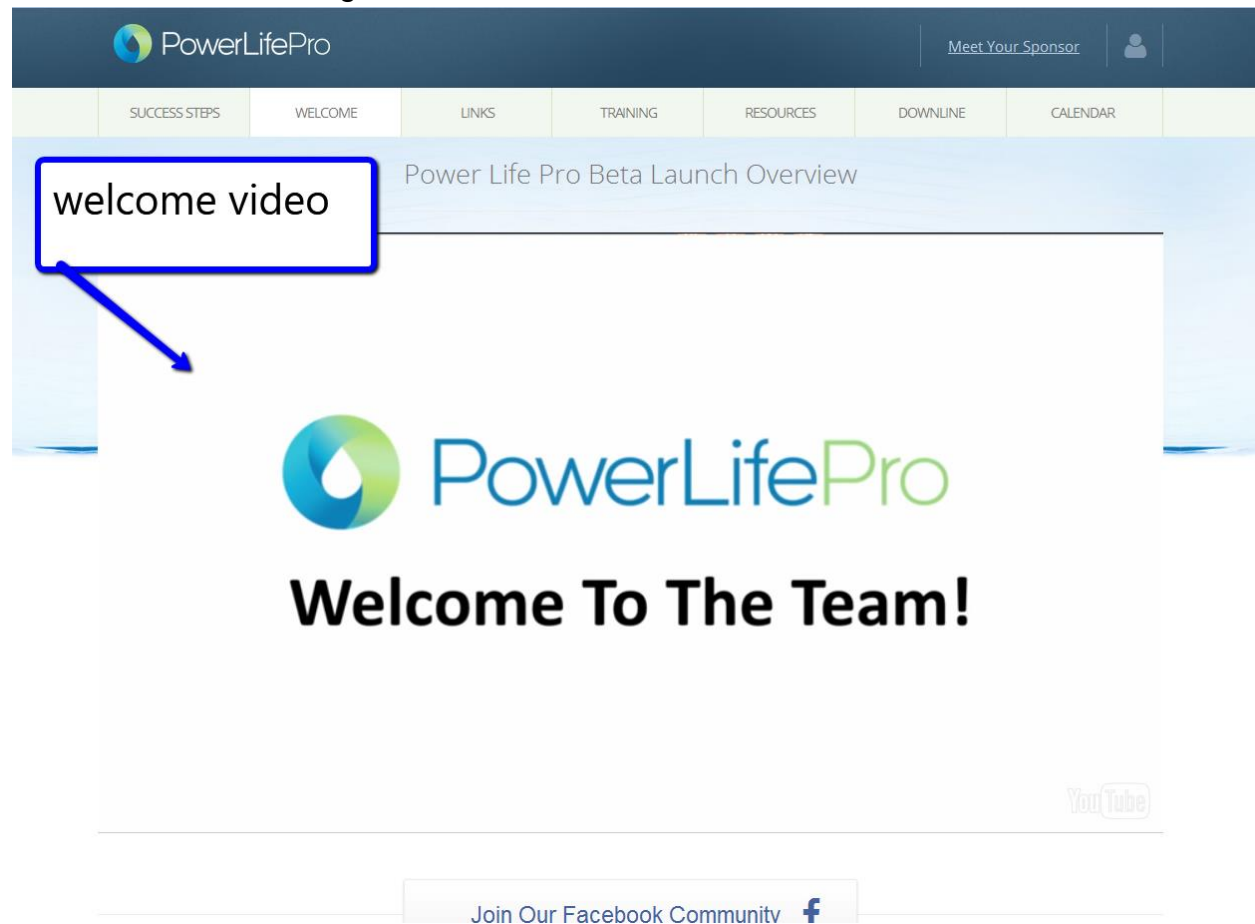

Quick Recap

- Your Enagic distributor ID (which should be a series of numbers) will go into your PLP system.
- Your PLP username (which you created back in STEP 4 & and is something you made up) is what will go into WCC.
- When you make a sale with WCC, we'll tell that sale to check out your PLP page which will sell them on Enagic.

STEP 11:

Once you've entered your Enagic Distributor ID into the PLP system, you should get full access to your PLP Member's area

It should look something like this

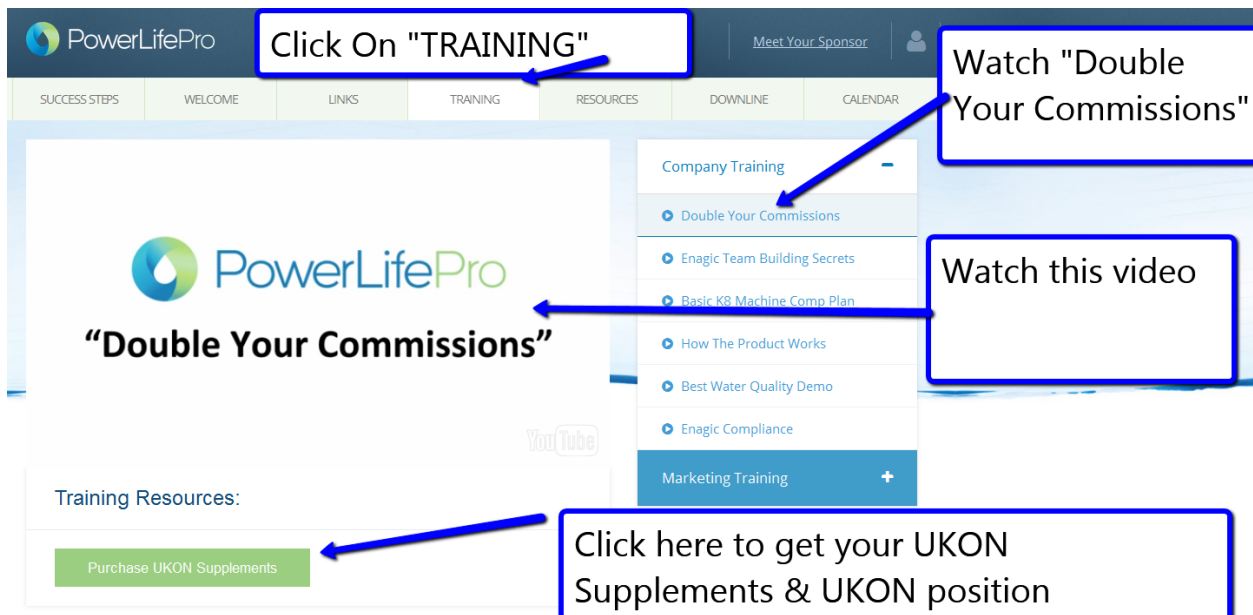

You'll want to go through all of the links/videos for a full understanding of the whole system. Also – please note that they'll be making updates to the member's area often.

STEP 11: WANT TO DOUBLE YOUR COMMISSIONS?

This step is completely optional, but I definitely suggest you do it if you can afford it because it will LITERALLY DOUBLE the commissions you'll earn.

Click on the "TRAINING" link in the menu bar at the top and watch the "**Double Your Commissions**" video in your PLP member's area and it will explain this in full!

As you'll learn in the video – Enagic has multiple products people can buy. One of them is called "UKON" (it's a health supplement).

Long story short, you can buy this UKON product FROM YOURSELF and

1. Earn a commission off of it
2. Have a 2nd position (underneath the position you already created with the company)

The instructions on how to do this are laid out step by step in the video

Just a couple of points to be aware of...

The screenshot shows a web page for the "Ukon DD Autoship Program". The page includes a breadcrumb trail "Home > Supplements > Ukon DD Autoship Program" and a page indicator "2 of 2". On the left, there is a "SPONSOR INFORMATION" section with fields for "Sponsor ID:", "Sponsor Name:", and "Sponsor Phone:". Below that is a "MY ACCOUNT" section for user "Devon Brown", listing options like "Profile details", "Downloads", "Orders", "View compare list", "My tags", "Wish list", "Track my order(s)", "Order ID", and "Sign out". The main content area features a product image of a "UKONZ" box, the price "\$580.00", and a "Select Program:" section with three radio button options: "Ukon DD 'A' auto-ship" (selected), "Ukon DD 'B' auto-ship", and "Ukon DD 'C' auto-ship". Below this is a "User/Distributor ID (?):" field with a blue callout box pointing to it. The callout box contains the text: "Make sure you enter YOUR distributor I.D. get the discount". To the right of the field is a note: "If you are a current Enagic customer/distributor, please provide your Enagic ID#". At the bottom, there is a "Quantity:" field set to "1" and a note: "Minimum quantity for 'Ukon DD Autoship Program' is 1."

Make sure as you're checking out, that the shopping cart has the right product(s) and dollar amount before continuing.

When you start the purchase process, you'll want to make sure that you're logged into your own account before continuing

As you buy the UKON product from yourself, you'll also want to make sure that you give yourself the credit for the sale by entering your Enagic info in the "sponsor info" fields.

The screenshot shows a form with two main sections: 'Sponsor Information' and 'Buyer Mailing Address'. The 'Sponsor Information' section includes fields for 'Distributor ID', 'Sponsor Name', 'Sponsor Phone', and 'Sponsor Email'. Below these is a dropdown menu labeled 'Book this sale to' with 'unknown' selected, and a field for 'EWS Username'. The 'Buyer Mailing Address' section includes a dropdown for 'Autofill Address Options', and fields for 'Address', 'Address (line 2)', and 'City'. There are also dropdowns for 'United States' and 'California', and a 'Postal Code' field. A blue box with an arrow points to the 'Distributor ID' field with the text 'Enter YOUR Enagic distributor ID here and YOUR Enagic info'. Another blue box with an arrow points to the 'Book this sale to' dropdown with the text 'Book the sale to 1A Leave the EWS field blank'. At the bottom, there is a section titled 'Register as a Distributor?' with a small sub-note: 'Do you wish to become a distributor so that you can receive commissions for any sales referred by you?'.

Also – you'll want to register as a distributor (again) using the same info you used last time

The image shows a web form titled "Register as a Distributor?". Below the title is a question: "Do you wish to become a distributor so that you can receive commissions for any sales made by you? (no obligations or opportunities)". There are two radio buttons: "Yes" (which is selected) and "No". Below this is a section titled "Distributor Application" with two columns of fields. The left column is "Driver's License Information" and includes fields for "Birthdate" (MM / DD / YYYY), "Driver's License #", and "State/Province Issued" (set to California). The right column is "W9 Information (view w9 form)" and includes fields for "Legal Name", "Business name, if different", "Select Business Type", "ID Number Type", and "Are you tax exempt? (Exempt Payee)". A blue callout box on the right contains the text: "YES - Register as a new distributor and fill out all of this information like you did before". Three blue arrows point from the callout box to the "Yes" radio button, the "Distributor Application" title, and the "W9 Information" section.

From here, finish the steps in the order process just as you did last time.

STEP 12:

Within a few business days, you should get a call from Enagic confirming your order (like you did last time). But, if that call doesn't come... then just call the Enagic office that covers where you live

What you'll want to do is call them to get your 2nd Enagic distributor ID.

You see, when you bought the UKON supplements & re-signed up as a distributor, you basically asked Enagic to give you a 2nd position in the company with a new distributor ID. This new position is directly under your 1st position.

Once you've got your new distributor ID, you're going to want to put it inside your PLP account.

This way, when you make sales, your 2nd position will get a check AND your first position will get a check. In essence you've doubled your commissions!

The image shows a web form titled "Enagic® Profile" with a red header. The form is titled "Pick a Member Profile From Your List" and has two radio buttons: "Custom Enagic Profile" (selected) and "Select a member". Below are input fields for "Enagic Name" (containing "Enagic Success LLC"), "Enagic Email" (containing "success@enagic.com"), and "Enagic Phone". There is a dropdown menu for "Enagic ID Type" with "Enagic Distributor ID" selected. Below that is a label "Select an ID type above" and another dropdown menu. At the bottom is a green "Save and Close" button. A blue callout box with a white background and blue border contains the text "Change your Enagic distributor ID, then click 'Save & Close'". Two blue arrows point from the callout box to the "Enagic ID Type" dropdown and the "Save and Close" button.

STEP 13:

ENGAGE... ENGAGE... ENGAGE

- Join the trainings
- Be in the Facebook group and be positive
- Email your list your link found in your PLP member's area
(Note: as part of WCC, I'll be doing this for you automatically ;-)
- What if in 1-2 years of focused effort, you could make enough to "retire" if you wanted to? Well... if you're fully committed, it can happen. But you have to ENGAGE and treat this like a REAL BUSINESS!

The End 😊
