

TWO YEAR LIMITED WARRANTY

Betsey Johnson time pieces have a two year limited warranty from date of original purchase. This warranty covers all manufacturers' defects in material and workmanship. The warranty does not apply to normal wear and tear or abuse and excludes battery, case, crystal, strap/bracelet, malfunction or deterioration resulting from accident, negligence and tampering. Most Betsey Johnson watches are water resistant, though extensive use in water activities such as swimming or bathing is not recommended.

In the event of a defect or malfunction, it will be repaired or replaced at our option, provided that it is returned prepaid with a check or money order for \$8.50 to cover the cost of handling, return postage, and insurance. (This is not a repair charge). PLEASE DO NOT SEND CASH. No additional charge will be made unless additional servicing is required for reasons beyond our control such as battery, case, crystal, or strap/bracelet. See last page of booklet for address of Service Center.

BATTERY LIFE

The battery in your Betsey Johnson watch should last approximately 2 years. When the battery expires, replace it as soon as possible to prevent any malfunction. Battery type is engraved on the case back.

WATER RESISTANCE

- * Before using your watch in or near water, be sure that the crown is pushed in completely.
- * If the watch is under water or wet, do not use pushers, rotating bezels or crowns.
- * If the watch becomes wet, wipe it dry as soon as possible.
- * If the watch comes in contact with salt water, rinse case and bracelet immediately and thoroughly in fresh water.
- * Do not take your watch into a hot tub or sauna. Extreme heat and pressure may cause your watch to lose its water resistance.
- * Water resistance is not permanent. Over the course of time, as your case becomes worn, the water resistance of the watch may decrease.
