## ***Important Instructions for Completing Application***

### **Your completed Scholarship Application should include the Following**

1. **Brief narrative:** One page or less, stating why you should be considered for an HHS scholarship. Include in the narrative a description of your scholarly accomplishments (e.g., research presentations, publications, grants, awards), participation in professional activities, service to your department/university and/or community, and your career goals. Additional information may be provided at your discretion. Information within your narrative may be shared with your scholarship donor if you are chosen to receive a scholarship.
2. **Resume**
3. **This signed application form:** Indicating that you have read and understand University and HHS policy regarding scholarships.

### **Scholarships awarded based on Academic merit and/or Financial Need**

Some scholarships are based on academic merit alone while others are based on merit and/or financial need. Therefore, in order for final determination to be made regarding scholarships and your eligibility to receive a scholarship based on financial need, you must complete the Free Application for Federal Student Aid (FAFSA). If you wish to be considered for merit-based scholarships only, you need not complete the FAFSA. Final scholarship awards will be determined by departmental faculty representatives and will be announced in May. The FAFSA can be obtained online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and questions regarding the FAFSA can be directed to the UNCG Financial Aid Office at 723 Kenilworth Street, (336) 334-5702.

### **UNIVERSITY and HHS POLICY**

A scholarship recipient must be enrolled as a full-time student (Undergraduate – 12 hours; Graduate - 6 hours) during the semester(s) the funds are awarded. Scholarship recipients must be declared majors in the School of HHS; changing your major may result in cancellation of your scholarship. A scholarship is granted for one academic year only, for the period of August through May. Scholarships in excess of \$750 awarded will be split in half with one-half applied in fall 2012 and one-half applied in spring 2013. Additionally, during the fall semester that your scholarship is applied, you will be provided with your donor's contact information. It is required that you follow up by writing a thank you note to him/her, and file a copy of this note in the HHS Dean's Office.

Your signature below indicates that you understand and have read the above rules determining your eligibility for HHS scholarships, both those that are based on financial need and those that are not.
