Note: An upgrade from Server 9 or 10 to Server 11 Advanced would require an upgrade to Server 11, and then an upgrade to Server 11 Advanced.
From 4/4/12 to 9/27/12, customers with version 9, 10 and 11 are eligible for upgrade pricing to FileMaker 12. After 9/27/12 only customers with FileMaker Pro 10 or 11 will be eligible for upgrade pricing. **Replacement media and support services for version 9 will no longer be available after 9/27/12.**

FileMaker 12 Compatibility

The file format of FileMaker Pro has been changed to support new features. To use files from previous versions with FileMaker 12 products, customers must convert those files to the FileMaker Pro 12 format (**v12 is not compatible with previous versions**).

Education Volume License Agreement (EVLA)

The minimum initial order for a EVLA is 5 seats of software licenses. Customers can mix & match any FileMaker software products, as well as new and upgrade seats to reach the minimum volume requirement for each tier. Maintenance does not apply towards the 5 seat minimum.
One year of Maintenance is automatically included with all licensing purchases of FileMaker Pro, FileMaker Pro Advanced, FileMaker Server and FileMaker Server Advanced. Only FileMaker Pro, FileMaker Pro Upgrade and FileMaker Pro Maintenance are available on a per-seat, multi-tier pricing discount structure. To add-on new or upgrade copies of FileMaker products to an existing license agreement, customers must have a FileMaker 8 or newer VLA. There is no minimum purchase quantity required for add-on products, and they count towards the FileMaker Pro minimum volume requirements for each tier. The current VLA number must accompany the order if the total number of units is less than 5. License keys for product installation are listed on the volume license certificate.

Maintenance for EVLA

EVLA Maintenance customers must renew their Maintenance prior to its expiration to take advantage of the regular Maintenance price. Once renewed, the new Maintenance expiration date will be one or two years from the original Maintenance renewal expiration date (depending on the renewal SKU purchased).
Once the Maintenance expires, an "Expired" Maintenance price is available for EVLA customers who want to renew the expired Maintenance contract. The new Maintenance expiration date will be set to one or two years from the date of the Expired Maintenance order (depending on the renewal SKU purchased).
If a customer's Maintenance expires and FileMaker announces the availability of an upgrade, the customer is no longer eligible for the Expired Maintenance price. The customer must purchase the product upgrade or (if upgrade version does not qualify) new licenses.

When additional years of Maintenance are added to extend the expiration date of a line item on the same purchase, the seats extending the Maintenance expiration date do not count towards tier levels, minimum initial order quantity, or product discount levels.
Customers ordering Maintenance Renewal for existing licenses and new licenses (which include Maintenance) at the same time, must submit two separate orders if the Maintenance renewal date for the existing licenses is not in the same billing quarter as the new licenses.
Customers who wish to renew Maintenance on multiple seats with multiple end dates must submit separate orders if the renewal dates are not in the same billing quarter.
