Origami Flower Instructions This beautiful Origami flower is a favourite of mine. I learned this one at school, and made dozens of them for all my friends (and they loved them by the way!)

Origami Flower Instructions

The origami kusudama flower is undeniably beautiful and appears complex and difficult to make, but surprisingly there are only a few steps to it. However, you do need a total of five pieces of paper because this flower is actually made up of five petals. Each petal is made with one sheet of paper. This means you will also need glue. Ready?

Origami Kusudama Flower Instructions

The kusudama flower is made with six separate sheets of square paper. You can use origami paper, scrapbook paper, or calendar papers cut to the size you wish. Bigger paper results in bigger petals, which gives you a more dramatic looking flower.

How to Make an Origami Kusudama Flower

Roses can be made, similarly to tulips, out of the hard folding origami paper. You can choose patterned paper, also with flowers on it already, and make your paper flowers more visually interesting! Origami Lily Making an origami lily is a bit more complicated than making a tulip, but the result is excellent.

40 Origami Flowers You Can Do | Art and Design

The origami lotus flower sometimes called an origami water lily, is an intermediate level design that is best done using very thin origami paper. You need to be very careful pulling the paper in the last few steps in order to keep it from tearing. Sometimes, people will place small battery-operated tea lights in the center of this flower to make a pretty lantern.
