Introduction

Section references are to the Internal Revenue Code unless otherwise noted.

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter.

For each quarter, there is a directory of new REMICs and CDOs and, if required, a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Publication 938 is only available on the Internet. To get Publication 938, including prior issues, visit [IRS.gov](https://www.irs.gov).

Future developments. The IRS has created a page on [IRS.gov](https://www.irs.gov) that includes information about Publication 938 at [IRS.gov/Pub938](https://www.irs.gov/pub938). Information about any future developments affecting Publication 938 (such as legislation enacted after we release it) will be posted on that page.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G and the regulations issued under those sections.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
 - a. A corporation.
 - b. A fiscal year taxpayer.
 - c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
 - d. A real estate investment trust (as defined in section 856).

- e. An entity registered at all times during the tax year under the Investment Company Act of 1940.
- f. A common trust fund (as defined in section 584(a)).
- g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.
- h. Any trust that is exempt from tax under section 664(c) (a charitable remainder annuity trust or a charitable remainder unitrust).
- i. A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of

directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC

regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information, or
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information (for example, a webpage), or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

The Taxpayer Advocate Service Is Here To Help You

What is the Taxpayer Advocate Service?

The Taxpayer Advocate Service (TAS) is an *independent* organization within the IRS that helps taxpayers and protects taxpayer rights. Our job is to ensure that every taxpayer is treated fairly and that you know and understand your rights under the [Taxpayer Bill of Rights](https://www.irs.gov/TaxpayerBillOfRights).

What Can the Taxpayer Advocate Service Do For You?

We can help you resolve problems that you can't resolve with the IRS.

And our service is free. If you qualify for our assistance, you will be assigned to one advocate who will work with you throughout the process and will do everything possible to resolve your issue. TAS can help you if:

- Your problem is causing financial difficulty for you, your family, or your business,
- You face (or your business is facing) an immediate threat of adverse action, or
- You've tried repeatedly to contact the IRS but no one has responded, or the IRS hasn't responded by the date promised.

How Can You Reach Us?

We have offices [in every state, the District of Columbia, and Puerto Rico](https://www.irs.gov/TaxpayerAdvocate). Your local advocate's number is in your local directory and at [TaxpayerAdvocate.IRS.gov/Contact-Us](https://www.irs.gov/TaxpayerAdvocate). You can also call us at 1-877-777-4778.

How Can You Learn About Your Taxpayer Rights?

The Taxpayer Bill of Rights describes 10 basic rights that all taxpayers have when dealing with the IRS. Our Tax Toolkit at [TaxpayerAdvocate.IRS.gov](https://www.irs.gov/TaxpayerAdvocate) can help you understand [what these](https://www.irs.gov/TaxpayerAdvocate)

[rights mean to you](https://www.irs.gov/TaxpayerAdvocate) and how they apply. These are **your** rights. Know them. Use them.

How Else Does the Taxpayer Advocate Service Help Taxpayers?

TAS works to resolve large-scale problems that affect many taxpayers. If you know of one of these broad issues, please report it to us at [IRS.gov/SAMS](https://www.irs.gov/SAMS).

Low Income Taxpayer Clinics

Low Income Taxpayer Clinics (LITCs) are independent from the IRS. LITCs represent individuals whose income is below a certain level and need to resolve tax problems with the IRS, such as audits, appeals, and tax collection disputes. In addition, clinics can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language. Services are offered for free or a small fee. To find a clinic near you, visit [TaxpayerAdvocate.IRS.gov/LITCmap](https://www.irs.gov/TaxpayerAdvocate) or see IRS Publication 4134, [Low Income Taxpayer Clinic List](https://www.irs.gov/TaxpayerAdvocate).
