Sakthi AV Tronics

<https://www.indiamart.com/sakthiavtronics/>

We gladly announce that we are one of the prominent trader and supplier of Audio Visual Systems. We are also engaged in providing installation services for these systems.

About Us

Sakthi AV Tronics is a well established company engaged in trading and supplying Security Systems in large variety. The products of our company are sourced from reliable manufacturers like BOSCH, TOA, SENNHEISER, QSC, Yamaha Professional and Epson etc., who maintain a strong brand presence all over the nation. These manufacturers utilize high grade materials as well as high-end manufacturing methods in order to match the international standard and Safety Specification. Our years of Experience in this field in executive on turnkey basics supply, Installations, Erection, Testing, Commissioning and Maintenance for all these equipment at the client's site. With our expertise and timely response to the after sales service requirements of our clients, we have been able to earn their faith and create as well as serve a large clientele. Our products provide complete security without much of wiring and drilling that tend to change the basic structure of the building. Guided by **Mr. Gnanam**, we have been able to efficiently provide the most appreciated Audio Visual Systems for our clients. The Audio Visual Systems come with highly efficient audio and video monitoring facilities with high clarity and they can be placed and installed in any convenient place our clients prefer to. These systems allow our clients to monitor the entire place in a highly convenient and efficient manner.
