Pressure Cooker Set

uCook Pressure Cooker Set

The *uCook* pressure cooker's unique double level cooking feature allows you to prepare two dishes at once!

uCook is FAST

- A pressure cooker reduces cooking times by up to 70%
- Prepare roasts, stews, soups, vegetables, desserts and more

uCook is EASY

- Simply load the ingredients, lock the lid in place and begin cooking. When finished release the pressure and enjoy healthy, flavorful meals

uCook is HEALTHY

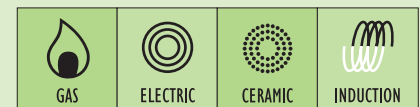

- Foods cooked under pressure retain up to 50% more of the nutritious, water soluble vitamins and minerals
- Steam created inside the cooker breaks down fibers in food in a very short time, leaving food moist and succulent, with an intense intermingling of natural flavors

uCook is SAFE

- Safety lock on the handle prevents opening before all the pressure is released
- Two independent over-pressure release valves assure no pressure buildup

uCook is QUALITY

- Constructed of 18/10 stainless steel
- Encapsulated aluminum base for fuel-efficient, even heat distribution
- Cooks on all types of stovetops - gas, electric, ceramic or induction
- Made in Spain
