# Performance Dashboard Extension

## User Guide

[Introduction](#)

[Example Screenshot](#)

[Usage](#)

## Introduction

The Performance Dashboard Extension by MageHost.pro adds a screen to the Magento Store Admin called "Performance Dashboard". In this screen you get a clear overview of areas where the performance of your Magento 2 can be improved.

## Usage

After installation you can follow these steps to open the Performance Dashboard:

1. **Log in** on your Magento Store **Admin**
2. Open the **System** menu from the left sidebar
3. In the **Tools** category click on **Performance Dashboard**
