MAY JUN AUG
 15
 2005 2006 2007

Welcome to my Library of 1500 instruction / user manuals for Chinon, Ricoh, Sears, Fujica, Konica, Kodak, K-mount, Universal Mount, Cosina, Yashica, Zenith, Praktica and various other

"orphan" cameras

as well as manuals for electronic flashes and light meters !

Find all the information on your camera model on just my site !!!

Google Search

Search WWW Search www.butkus.org

Use the above "Google" search, to find all the items in "butkus.org" ONLY

This is an extension of my other home page
 that you can find at www.butkus.org

HTML Translations - [German](#) - [Italian](#) - [French](#) - [Spanish](#)
 These links will not translate any PDF files

> - **NO ADVERTISEMENTS** ! - -

Your donations support these website pages and camera manual purchases.

E-mail me in U.S.A. at mike@butkus.org

- In March 2003 I moved to a better web site -

LIQUIDWEB.com

Click below to get your own account

These pages are dedicated to full text Chinon, Ricoh, Sears, Kodak, Cosina, Fujica, Maranda, Ansco, Agfa, Konica cameras, flashes, winders, data backs, manuals and all the images from these manuals.

I have no connection to Chinon, Ricoh or any camera company. This library of information is only here for your information.

These page contain no information on Chinon or Ricoh Digital Cameras !

For Ricoh Digital go here <http://www.ricoh-cameras.co.uk/forum/index.html>
 OR try this personal site on [Ricoh Digital Cameras](#)

~~These pages were uploaded and accessed with Comcast Cable~~

I did have Sprint DSL for 2 years

Please choose from the links below to view them
[These are large files.. modem connections will take time !]

For Pentax K-mount "user's ring" click here

Check here for the "Official" Chinon site which now has basically nothing except software for digital cameras.

Other places to check (these are mostly "links")

- LIST OF OTHER FREE ON-LINE CAMERA MANUALS
- SEARCH ENGINES - TRY HERE IF I DON'T HAVE IT
- Pentax camera FAQ, camera repair FAQ and other items
- Other information about K-mount cameras
- The ultimate K-mount camera list (list from former web site, information was not collected by me)
- Information on K-mount lens mounts
- More info on all types of camera mounts
- Robert Monaghan's page of 2 1/4 and 35mm info
- CHINON REPLACEMENT BATTERY LIST
- Duracell battery conversion chart - From Duracell site
- sites about camera battery replacements (all types of cameras & batteries)
- Battery replacement for mercury PX13, PX625, MR9 and PX27: problems and solutions (updated 10-'03)- Not my article, need PDF reader.
- Other Chinon sites (Ha!), Ricoh, Pentax and other places of interest like Infrared photography
- List of almost every camera make and camera stores that sell used cameras from their stores/web sites
- Short list of camera stores
- Camera in need of repair?: Options available by clicking here

[13 Camera mount instructions - Remember these!](#)

All the manuals I own are listed. If no link, I have not yet scanned them. Ask about any un-scanned manual, I may be able to scan it in a few days.

Any links outside of my site are noted.

If you find these manuals useful, how about a donation of \$3 to: M. Butkus, 29 Lake Ave., High Bridge, NJ 08829-1701 (cash/check/M.O.) or use your Pay Pal account.

Use the icon on the specific manual page or go to the PayPal Verified link below or at the very bottom of this page.

This will allow me to continue to buy new manuals and pay to have this AD FREE site.

It'll make you feel better, won't it? Address accurate as of 2006.

Check donation page to make sure anything by U.S. mail without an e-mail address made it

Donation policy
