Hamilton Beach Dual Wave Versatile Blender

Item code 52145H Reward Credits 12,000

From top to bottom, the Hamilton Beach Dual Wave Blender is all about versatility and power. Versatility because it's a blender that's perfect for making drinks for a crowd and then it's a Personal blender that lets you customize and blend two different drinks at once. Power because it doubles up with two sets of blades and two motors for a variety of blending and serving options. The Dual Wave Blender switches from an 80-ounce jar to dual 16-ounce single serve jars with ease. At 80 ounces, the pitcher is double the size of most blender jars, yet its powerful dual blades and dual motors (delivering 1000 Watts peak power) are able to blend an entire pitcher-full in less than 30 seconds. That means less time blending and more time mingling with guests.

With its convenient dispensing spout in place, drinks are served right into glasses, or for traditional pouring; the dishwasher safe spout can be removed and capped off. If all this blending power and versatility isn't enough, the Dual Wave blender is also equipped with a high-performing Dual Wave Action system. This ensures that your ingredients are thoroughly blended for smooth results and no ice chunks every time. 3 Year Limited Warranty.

Flying Turtle

Item code Reward Credits
2090 13,800

Parents love our Flying Turtle because it's one of the safest ride-ons around. It sits only 2" off the ground and has no sharp edges or spokes, making it a favorite in amusement parks and day care centers across the U.S.A. No motor, no batteries - it's completely kid powered! Kids (ages 3-12, up to 130 pounds) sit in the middle of the seat, put their feet on the center bar, then grab hold and swing the handlebars from side to side to zip along any hard, smooth surface, indoors or out.

Great for driveways, sidewalks, patios, decks, basements, kitchens, gym floors, playgrounds - just about any place except a carpeted floor. U.S.A. constructed using skateboard wheels and durable stainless steel moving parts. We let our ten-year-old girl and twelve-year-old boy test drive the Flying Turtle and we never heard such squeals of delight!
