

## Wireless Phone Insurance Device Eligibility and Deductible Schedule

6/1/2010 Update

This list is updated regularly to include new models. Older models may not appear below. **If your model is not listed, please contact AT&T at 1-800-331-0500.** Some phones introduced under Equipment Tier 2 (\$125.00 deductible) may be moved to Equipment Tier 1 (\$50.00 deductible) during their lifecycle. The non-refundable deductible is based on the date of loss.

If you are not certain of the model of your phone, refer to your original receipt or you may be able to determine the model by following these steps: Turn your phone's power off. Carefully remove the battery cover and the battery. The model is typically printed on the white label located under the battery.

This list is changed from time to time. Please check this list any time your equipment changes.

Wireless Phone Insurance is not available for and coverage does not apply to:

- Apple iPhone™ (all models)
- Phones on GoPhone® accounts
- Netbooks
- AT&T 3G MicroCell

Eligibility is subject to change.

<b>Equipment Tier 1 \$50 Non-refundable Deductible</b>		<b>Equipment Tier 2 \$125 Non-refundable Deductible</b>	
To determine what tier your device is in, please see the table below. If you do not see your phone model in the following list, please contact AT&T at 1-800-331-0500.
