**Model #:** DD24DAW9

ADA compliant Double DishDrawer  
dishwasher

**Features**

- Ergonomic: DishDrawer dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at counter height so loading and unloading requires minimal bending.
- Reliable Performance: The combination of intelligent technology and simple mechanics means more space for your dishes, greater reliability and excellent wash performance.

Fisher & Paykel

**Model #:** DD24DAX8

Double DishDrawer;

**Features**

- How DishDrawer Technology Helps.
- Independent Drawers = Variety of Loads
- An independent drawer-based dishwashing platform is part of what makes the DishDrawer dishwasher unique. In DishDrawer Double dishwashers, both drawers operate independently so different wash cycles can operate simultaneously to accommodate a variety of loads.
