These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>--Reorient or relocate the receiving antenna.</li> <li>--Increase the separation between the equipment and receiver.</li> <li>--Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>--Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p data-bbox="1030 2240 1355 2343">This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <ol style="list-style-type: none"> <li>(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</li> </ol> <p data-bbox="1030 2343 1355 2395">Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p data-bbox="1030 2395 1355 2490">FCCID: RDR-BH24H3B</p> </div>	<div data-bbox="1355 1980 1665 2490"> <h2 data-bbox="1355 1980 1665 2032">Safety Precautions</h2> <ol style="list-style-type: none"> <li>1. Please carefully read and retain this user manual before using the product.</li> <li>2. If the product is not used for an extended period (more than 2 weeks), please recharge it.</li> <li>3. You must choose a charger produced by a legitimate manufacturer and certified by the national safety authority.</li> <li>4. If your phone cannot detect the Bluetooth earbuds, either re-enter pairing mode or perform a factory reset on the Bluetooth earbuds. If there is a phone program error, close and reopen Bluetooth on the phone or restart the phone.</li> <li>5. Do not disassemble or modify the battery, insert foreign objects, expose it to high temperatures, or immerse it in water or other liquids to prevent battery leakage, overheating, ignition, or explosion. Battery replacement should only be done by the manufacturer.</li> <li>6. Do not drop, crush, or puncture the battery. Prevent external pressure that may lead to internal short circuits and overheating.</li> <li>7. Do not disassemble or modify the earbuds for any reason, as it may result in fire, electronic breakdown, or permanent damage to the product.</li> <li>8. Do not expose the product to extremely low or high temperatures (below 0°C or above 45°C).</li> <li>9. Do not use the product during thunderstorms, as it may cause abnormal operation and increase the risk of electric shock.</li> <li>10. Do not use oil or other volatile liquids to clean the product.</li> <li>11. Please do not use this device for long periods of time and at high volume, as there is a risk of hearing damage.</li> </ol> <p data-bbox="1355 2395 1665 2447"><b>Manufacturer:</b> Dongguan Hele Electronics Co., Ltd. <b>Address:</b> No. 325 Yuehu Rd.
