

Overview

Warning: Using earphones will reduce your perception of ambient sounds, please do not use them in situations where potential danger exists.

Start-up

Hold MFB for 2s to power-on and the receiver will auto enter pairing mode (the receiver will auto enter pairing mode upon any disconnection with current devices).

On cellphone, search for "Haylou-AD1" and tap to connect (once power on the receiver will auto reconnect to the last device in connectivity records, if any.)

How to Charge

Low battery will be warned by red blinking LED. LED will glow solid red when charging and turn to white once topped up.

Factory Setting

When charging, hold MFB for 3s or until LED blinks red and white for 3 times.

Functions

Power-on
Hold MFB for 2s or until LED turns on white for 1s.

Power-off
Hold MFB for 3s or until LED turns on red for 2s.

Last Number Redial
When standby or playing, double tap MFB.

Mute on/off
When calling, double tap MFB to switch mute on/off.

Answer Call

Tap MFB to answer incoming call (LED blinks white promptly) and tap again to end it.

Ignore Call

Hold MFB for 1s to ignore incoming call (LED blinks white promptly).

Multi-point Connection

Method 1: Refer How to Connect to build connection with phone1. On phone1, turn off the connection and the receiver will auto enter pairing mode. On phone2, search for "Haylou-AD1" and tap connect. On phone1, search for "Haylou-AD1" and tap to finish multi-point connection.

Method 2: Refer How to Connect to build connection with phone1. Then hold both vol+ and vol- to enter pairing mode. On phone2, search for "Haylou-AD1" and tap to connect. On phone1, search for "Haylou-AD1" and tap to finish multi-point connection.

Three-way Calling & Switch

Tap MFB to answer incoming call from phone1. If another call is coming from phone2 in sync, tap MFB to put the first call on hold while activate the second call. Double tap MFB to switch between active call and held call.

Skip Track

When playing, hold vol+/- for 1s to skip track forward/backward.

Volume up/down

When playing, tap vol+/- to adjust volume.

Play/pause

When playing, tap MFB to pause/play music.

Voice Assistant

When standby, hold MFB for 1s to activate voice assistant (like Siri).

Switch Audio Output

When calling, hold MFB for 1s to switch audio output between the receiver and cellphone.

Features

- With British CSR 4.1 chipset, it brings smart wireless experience.
- Built-in 100mAh of battery makes the receiver available at any moment.
- Thanks to 3.5mm earphone jack, the receiver transfers wired earphone to wireless one.

FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help
- This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
