- Razor Sharp Lens Optics for Accurate Image Reproduction
- Five Year Limited Warranty

### FEATURES

Ultra rugged and super high performance, DUKANE SUNSPLASH units offer high value and low cost. By offering numerous configurations DUKANE SUNSPLASH overhead projectors match up to any specification. All DUKANE SUNSPLASH overhead projectors use the highest quality all glass optics and an easy to use rack and pinion focusing mechanism. This assures you of razor sharp image reproduction from edge to edge, dramatically reducing audience eye strain. DUKANE SUNSPLASH 3000 and 4000 lumen units feature a High/Low switch to extend lamp life - up to 250 hours on 3100 series units. And of course all SUNSPLASH units are protected by DUKANE'S Five Year Limited Warranty.
