DYMO

LetraTag®

Quick Reference Guide

Getting to Know Your Label Maker

About Your New Label Maker

With your new DYMO LetraTag® label maker, you can create a wide variety of high-quality, self-adhesive labels. The label maker uses DYMO LetraTag (LT) 1/2 inch (12 mm) label cassettes. LT label cassettes are available in a variety of colors and materials such as paper, plastic, metallic, magnetic, and iron-on.

Visit **www.dymo.com** for a complete User Guide, and for information on obtaining labels and an optional AC adapter for your label maker.

Product Registration

Visit www.dymo.com/registration to register your label maker online.

Getting Started

Follow the instructions in this section to print your first label.

1 Inserting the Batteries

- 1. Remove the battery compartment cover.
- Insert the batteries following the polarity markings (+ and –).
- 3. Replace the cover.
- ! Remove the batteries if the label maker will not be used for a long period of time.

Figure 1

2 Inserting the Label Cassette

- 1. Lift the label cassette cover to open the label compartment. See Figure 2.
- 2. Remove the protective cardboard insert from label exit slot. See Figure 3.
- 3. Insert the cassette with the label positioned between the print head and pinch roller.
- 4. Press firmly until cassette clicks into place.
- 5. Close the label cassette cover and press (and press) to turn on the power.

Figure 2

3 Selecting a Language

- 1. Press Settings
- 2. Use the up or down arrow key to select **Language** and press OK).
- 3. Use the up or down arrow key to select the language you want and press OK).

4 Setting the Date and Time

- 1. Press Settings.
- 2. Select **Set Date** and press OK. The default date is displayed.

- 3. Use the left or right arrow key to move the cursor over each setting (month, day, and year) and use the up or down arrow key to increase or decrease the value.
- 4. When finished, press OK). The default time is displayed.

- 5. Use the left or right arrow key to move the cursor over each setting (hours and minutes) and use the up or down arrow key to increase or decrease the value.
- 6. When finished, press OK

5 Printing Your First Label

- 1. Enter text to create a simple label.
- 2. Press Print.
- 3. Press the cutter button to cut the label.
- 4. Remove the paper backing from the label to expose the adhesive, and then attach the label.

Designing Your Label

▶ Changing the Font Size

Five font sizes are available for your labels: Extra Small, Small, Medium, Large, and Extra Large.

- 1. Press the key.
- 2. Select **Size** and press OK).
- 3. Select the desired font size and then press OK).

Adding Font Styles

You can choose from six different font styles:

AaBb Normal AaBb Outline

AaBb Bold AaBb Shadow

AaBb Italic ✓♥ФФФ Vertical

- 1. Press
- 2. Select **Style** and press OK)
- 3. Select a font style and press OK).

Creating Two-Line Labels

- 1. Type the text for the first line and press (Insert
- 2. Select **Second Line** and press OR. A multi-line symbol is inserted at the end of the first line, but will not print on the label.
- 3. Type the text for the second line.
