Overview

Thanks for purchasing the bêm LED light tower speaker! LED Light Tower Speaker is a multi-functional light. Not only can you connect wirelessly via Bluetooth but it also has 10 different LED light options. With a built-in rechargeable 2,000 mAh lithium battery you can take LED Light Tower Speaker anywhere.

Meet your LED Light Tower Speaker

Button	Function
1.) Volume Down	Turns audio volume down
2.) Play/ Pause	Play or Pause music
3.) Volume Up	Turns audio volume up
4.) On/Off switch	Long press for power on & off
5.) Light Brightness	Change brightness of the light
6.) Light Pulse	Light changes by Pulse of music
7.) Light Flicking	Light Flicking (4 different modes)
8.) LED color change	Change color of LED lights
9.) LED Light mode	Changes light mode on speaker
10.) Bluetooth Connection	Indicator lights up when connected
11.) AUX In	Connect device via AUX in
12.) MicroUSB	Charges your Speaker

Getting Started

Step 1: Charge It

Connect your LED light tower Speaker to a PC/laptop or wall using the Micro USB charging cable. The LED Indicator will light red during charging and the LED Indicator will turn off when your LED light tower Speaker is fully charged. Please allow approximately 3 hours to fully charge.

Step 2: Connect It

When your LED light tower Speaker is fully charged, pair it with your smartphone. The LED light tower Speaker is ready to pair when the blue LED light is flashing and select the device "Light Tower". This connection allows you to play music wirelessly.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction.

Safety Instructions

This product is specially designed based on full attention to safety; in order to encourage accident-free operation, please follow the guidelines listed below:

- Do not drop, unpack, open, hit, bend, puncture, burn or otherwise attempt to damage/modify the set
- Avoid using the set in the rain or near basins or sinks where parts may come in contact with water

- Protect the set from all heat-producing devices, including radiators, forced air vents, cooking surfaces, and other heat-producing devices
- Set the volume properly to prevent damage to the unit and personal injury

Correct Disposal of this Product

This marking indicates that this product should not be disposed of with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. Retailers can take this product for environmentally safe recycling.

Warning

- The battery (battery or batteries or battery pack) shall not be exposed to excessive heat such as sunshine, fire or the like.
- CAUTION: Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

90-Day Limited Warranty

bem wireless warranties this product against defects in materials and/or workmanship under normal use for a period of NINETY (90) DAYS from the date of purchase by the original purchaser ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, at its option bem wireless will either 1) Repair the defect at no charge, using new or refurbished replacement parts or 2) Replace the product

with a new product that is at least functionally equivalent to the original product. A replacement product or part, including a user-installable part installed in accordance with instructions provided by bem wireless, assumes the remaining warranty of the original product. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes bem wireless's property.

Obtaining Service: To obtain warranty service, call bem wireless at 1-855-839-8616 or e-mail customerservice@bemwireless.com. Please be prepared to describe the product that needs service and the nature of the problem. A purchase receipt will be required. All repairs and replacements must be authorized in advance. Service options, parts availability and response times will vary. You are responsible for delivery including the cost of delivery of the product or any parts to the authorized service center for replacements, per our instructions.

Limits and Exclusions: Coverage under this Limited Warranty is limited to the United States of America, including the District of Columbia and the U.S. Territories of Guam, Puerto Rico and U.S. Virgin Islands. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. This Limited Warranty applies only to products manufactured by or for bem wireless that can be identified by the bem wireless trademark, trade name, or logo affixed to them or its packaging. The Limited Warranty does not apply to any non-bem wireless products.
