

1:58 Mini Cooper S

User's Guide

Model No.: 9357

BATTERY INSTALLATION

VEHICLE

1. Carefully turn the vehicle over and lay it on a soft surface such as a towel or magazine.
2. Use a small Phillips screwdriver to remove the battery compartment cover.
3. Insert 3 x '1.5V' LR44(AG13) batteries into the compartment.
4. Close the battery cover and screw in firmly.

CONTROLLER

1. Lay the controller face down on a soft surface such as a towel or magazine.
2. Use a small Phillips screwdriver to remove the battery compartment cover.
3. Insert 4 x '1.5V' LR44(AG13) batteries into the compartment.
4. Close the cover and screw in firmly.

USING YOUR MINI RC

1. Turn the vehicle on by sliding the ON/OFF switch to the ON position. This switch is located on the bottom of the vehicle.
2. Turn the controller on by sliding the ON/OFF switch to the ON position. This switch is located on the side of the controller.
3. Extend the controller's antenna for best performance.
3. Use the FORWARD/REVERSE buttons (the up and down buttons on the left of the controller) to accelerate forward or in reverse.
4. Use the LEFT/RIGHT buttons (on the right side of the controller) to steer the car in either direction.

TRIM SWITCH

Locates on the bottom of the vehicle is the Trim Switch. When the vehicle does not drive straight, use the Trim Switch to align the wheels.

INTERFERENCE

Some radio frequencies or other R/C units nearby can cause interference and poor performance. When this happens, try to move away from the source of the interference.

CARE & HANDLING

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and*
- (2) this device must accept any interference received, including interference that may cause undesired operation.*

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.*
- Increase the separation between the equipment and receiver.*
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.*
- Consult the dealer or an experienced radio/TV technician for help.*

90-DAY LIMITED WARRANTY

EXCALIBUR ELECTRONICS, INC., warrants to the original consumer that its products are free from any electrical or mechanical defects for a period of 90 DAYS from the date of purchase. If any such defect is discovered within the warranty period, EXCALIBUR ELECTRONICS, INC., will repair or replace the unit free of charge upon receipt of the unit, shipped postage prepaid and insured to the factory address below.

The warranty covers normal consumer use and does not cover damage that occurs in shipment or failure that results from alterations, accident, misuse, abuse, neglect, wear and tear, inadequate maintenance, commercial use, or unreasonable use of the unit. This warranty does not cover cost of repairs made or attempted outside of the factory.

Any applicable implied warranties, including warranties of merchantability and fitness, are hereby limited to 90 DAYS from the date of purchase. Consequential or incidental damages resulting from a breach of any applicable express or implied warranties are hereby excluded. Some states do not allow limitations on the duration of LIMITED 90-DAY WARRANTY implied warranties and do not allow exclusion of incidental or consequential damages, so the above limitations and exclusions in these instances may not apply. The only authorized service center in the United States is:

Excalibur Electronics, Inc.
13755 SW 119th Ave
Miami, Florida 33186 U.S.A.
Phone: 305.477.8080
Fax: 305.477.9516
www.ExcaliburElectronics.com

Ship the unit carefully packed, preferably in the original carton, and send it prepaid, and adequately insured. Include a letter, detailing the complaint and including your daytime telephone number, inside the shipping carton. If your warranty has expired and you want an estimated fee for service, write to the above address, specifying the model and the problem.

NOTE: Please do not send your unit without first receiving an estimate for servicing from EXCALIBUR ELECTRONICS, INC. Contact us before sending your unit. We cannot store your unit!

Excalibur Electronics, Inc. reserves the right to make technical changes without notice in the interest of progress.
