

# Lightweight & Durable SC2206 Chipper/Shredder

A Chipper/Shredder is the most efficient method of reducing brush, leaves, and pruned limbs and is perfect for compost heaps or mulching. The ECHO Bear Cat SC2206 is a great unit for discerning homeowners and hobby gardeners.

### Portable and Towable

Easy to move by hand and the standard tow hitch increases portability when attached to a small lawn rider or tractor.

### Ease of Use

Features an easy-to-start 206cc Briggs & Stratton Intek engine and a wide opening gravity feed system.

### Incredible Shredding Performance

Six reversible shredder knives feature a serrated edge and are arranged in a staggered pattern for more efficient shredding and increase useful life. A standard 1.5" diameter debris screen reduces mulch to a consistent size. A .75" diameter screen is also available.

Two reversible chipper blades allow for increased useful life. The chipper blades are machined to a 45° angle and easily draw wood into the chipper and can chip limbs up to 2.75" diameter.
