

Stereo Bluetooth Speaker

Operation Manual

EM-28

Product appearance and Operation Instruction

-1-

List of spare parts

1. Bluetooth speaker x1
2. USB cable x1
3. User manual x1
4. 3.5mm Line in cable x1

Product Parameters:

Output power: 4Ω3W×2
Speaker Dimension: 40MM
Power supply: DC 5V by USB interface, Built-in 1000mAh lithium battery
Charging time: 3 hours
Playing time: up to 8 hours
Bluetooth standard: V3.0
Bluetooth profiles supported: HSP,HFP,A2DP,AVRCP
THD:≤0.5% (1KHz/1W)
SNR: ≥96dB
Frequency Response: 90Hz to 18KHz
Reception distance: ≥10meters without hindrance
(Range will be different according to different models and environment)
Dimension: 155(L) x 54(W) x 59(H)mm

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Shenzhen Elecsun S&T Co.,Ltd may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or tv interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
