

The EL-2611 is a one-button hand-held transmitter designed for use with Electronics Line 3000's supervised wireless range of receivers. This water-resistant transmitter is designed for personal emergency applications and can be worn around the neck. Its large button makes it ideal for elderly, disabled or sight-impaired users.

Registration

1. Set the receiver to Registration mode.
2. Press the button, making sure that the LED lights up when the button is pressed.
3. Wait for five seconds and press the button again.

Low Battery Indication

The EL-2611 indicates a low battery condition using one of the following two methods:

- The LED indicator flashes during transmission.
- A Low Battery signal is sent to the receiver.

On receiving either of these indications, replace the EL-2611.

Technical Specifications

Antenna: Built-in whip

Frequency: 418MHz FM

Power: Non-replaceable battery

RFI Immunity: 40V/m

Operating Temperature: 32-140°F (0 to 60°C)

Dimensions: 2.4"H X 1.6"W X 0.6"D (60 x 40 x 15mm)

FCC ID: RIYEL2611

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna, 2. Increase the separation between the equipment and the receiver, 3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected, 4. Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this equipment not expressly approved by the party responsible for compliance (Electronics Line 3000 Ltd.) could void the user's authority to operate the equipment.
