

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution

Any changes or modifications to the equipment not expressly approved by the party responsible for compliance could void user's authority to operate the equipment.

Read and keep these instructions.

Heed all warnings and follow all instructions.

Do not attempt to open the device. Substances contained in this product and/or its battery may damage the environment and/or human health if handled or disposed of improperly.

Do not tamper with this device.

Do not use abrasive cleaners to clean this device.

Do not expose this device to extremely high or low temperatures.

Do not use this device in a sauna or steam room.

Do not leave this device in direct sunlight.

Do not leave this device near open flames.

Do not dispose of this device in a fire. The battery could explode.

Do not attempt to disassemble this device. It does not contain serviceable components.

Do not allow children to play with the device; the small components may pose a choking hazard.

Do not attempt to replace the battery. The battery is not user changeable.
