**Declaration of user manual statements for Ford SYNC Module part number CM5T-14D212-B.**

FORD Motor Company hereby declares that the following statements will be included in the final version of the forthcoming Ford SYNC module user manual:

FCC and RSS-210 Industry Canada Compliance

The SYNC system complies with part 15 of the FCC rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

1. This device may not cause harmful interference; and
2. This device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Yours sincerely,
