Limited Warranty

The warranties provided by Fortress in this Statement of Limited Warranty apply only to Fortress Products purchased from Fortress or from a Fortress Solution Provider for internal use on Customer's computer network. “Product” means a Fortress software product, upgrades, or firmware, or any combination thereof. The term “Product” also includes Fortress software programs, whether pre-loaded with the Fortress hardware Product, installed subsequently or otherwise. Unless Fortress specifies otherwise, the following warranties apply only in the country where Customer acquires the Product. Nothing in this Statement of Warranty affects any statutory rights of consumers that cannot be waived or limited by contract.

Customer is responsible for determining the suitability of the Products in Customer's network environment. Unless otherwise agreed, Customer is responsible for the Product's installation, set-up, configuration, and for password and digital signature management.

Fortress warrants the Products will conform to the published specifications and will be free of defects in materials and workmanship. Customer must notify Fortress within the specified warranty period of any claim of such defect. The warranty period for software is one (1) year commencing from the ship date to Customer [and in the case of resale by a Fortress Solution Provider, commencing not more than (90) days after original shipment by Fortress]. Date of shipment is established per the shipping document (packing list) for the Product that is shipped from Fortress location.

Customer shall provide Fortress with access to the Product to enable Fortress to diagnose and correct any errors or defects. If the Product is found defective by Fortress, Fortress' sole obligation under this warranty is to remedy such defect at Fortress' option through repair, upgrade or replacement of product. Services and support provided to diagnose a reported issue with a Fortress Product, which is then determined not to be the root cause of the issue, may at Fortress’ option be billed at the standard time and material rates.

Warranty Exclusions

The warranty does not cover Fortress Hardware Product or Software or any other equipment upon which the Software is authorized by Fortress or its suppliers or licensors, which (a) has been damaged through abuse or negligence or by accident, (b) has been altered except by an authorized Fortress representative, (c) has been subjected to abnormal physical or electrical stress (i.e., lightning strike) or abnormal environmental conditions, (d) has been lost or damaged in transit, or (e) has not been installed, operated, repaired or maintained in accordance with instructions provided by Fortress.

The warranty is voided by removing any tamper evidence security sticker or marking except as performed by a Fortress authorized service technician.

Fortress does not warrant uninterrupted or error-free operation of any Products or third party software, including public domain software which may have been incorporated into the Fortress Product.

Fortress will bear no responsibility with respect to any defect or deficiency resulting from accidents, misuse, neglect, modifications, or deficiencies in power or operating environment.

Unless specified otherwise, Fortress does not warrant or support non-Fortress products. If any service or support is rendered such support is provided WITHOUT WARRANTIES OF ANY KIND.

DISCLAIMER OF WARRANTY

THE WARRANTIES HEREIN ARE SOLE AND EXCLUSIVE, AND NO OTHER WARRANTY, WHETHER WRITTEN OR ORAL, IS EXPRESSED OR IMPLIED. TO THE EXTENT PERMITTED BY LAW, FORTRESS SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT.

General Terms Applicable to the Limited Warranty and End User License Agreement

Disclaimer of Liabilities

THE FOREGOING WARRANTIES ARE THE EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FORTRESS SHALL HAVE NO LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, OR INCIDENTAL DAMAGES EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE STATED LIMITED WARRANTY IS IN LIEU OF ALL LIABILITIES OR OBLIGATIONS OF FORTRESS FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF THE PRODUCTS (HARDWARE AND SOFTWARE). THESE WARRANTIES GIVE SPECIFIC LEGAL RIGHTS AND CUSTOMER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION OR LIMITATION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES APPLY AFTER THAT PERIOD.

Product Warranty and License Terms

Indemnification

Fortress will defend any action brought against Customer based on a claim that any Fortress Product infringes any U.S. patents or copyrights excluding third party software, provided that Fortress is immediately notified in writing and Fortress has the right to control the defense of all such claims, lawsuits, and other proceedings. If, as a result of any claim of infringement against any U.S. patent or copyright, Fortress is enjoined from using the Product, or if Fortress believes the Product is likely to become the subject of a claim of infringement, Fortress at its option and expense may procure the right for Customer to continue to use the Product, or replace or modify the Product so as to make it non-infringing. If neither of these two options is reasonably practicable, Fortress may discontinue the license granted herein on one month's written notice and refund to Licensee the unamortized portion of the license fees hereunder. The depreciation shall be an equal amount per year over the life of the Product as established by Fortress. The foregoing states the entire liability of Fortress and the sole and exclusive remedy of the Customer with respect to infringement of third party intellectual property.

Limitation of Liability

Circumstances may arise where, because of a default on Fortress' part or other liability, Customer is entitled to recover damages from Fortress. In each such instance, regardless of the basis on which you are entitled to claim damages from Fortress (including fundamental breach, negligence, misrepresentation, or other contract or tort claim), Fortress is liable for no more than damages for bodily injury (including death) and damage to real property and tangible personal property, and the amount of any other actual direct damages, up to either U.S. $25,000 (or equivalent in local currency) or the charges (if recurring, 12 months' charges apply) for the Product that is the subject of the claim, whichever is less. This limit also applies to Fortress' Solution Providers. It is the maximum for which Fortress and its Solution Providers are collectively responsible.

UNDER NO CIRCUMSTANCES IS FORTRESS LIABLE FOR ANY OF THE FOLLOWING:

1) THIRD-PARTY CLAIMS AGAINST YOU FOR DAMAGES,

2) LOSS OF, OR DAMAGE TO, YOUR RECORDS OR DATA, OR

3) SPECIAL, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS), EVEN IF FORTRESS OR ITS SOLUTION PROVIDER IS INFORMED OF THEIR POSSIBILITY. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO CUSTOMER.

Telephone Support

During the warranty period, Fortress or its Solution Provider will provide a reasonable amount of telephone consultation to the Customer. This support shall include assistance in connection with the installation and routine operation of the Product, but does not include network troubleshooting, security consultation, design and other services outside of the scope of routine Product operation. Warranty services for the Products shall be available during Fortress' normal U.S. (EST) business days and hours.

Extended Warranty Service

If the Customer purchases an extended warranty service agreement with Fortress, service will be provided in accordance to said agreement's terms and conditions.

Access and Service

Customer must provide Fortress or Solution Provider with access to the Product to enable Fortress or Solution Provider to provide the service. Access may include access via the Internet, on-site access or Customer shall be responsible for returning the Product to Fortress or Solution Provider. Fortress or Solution Provider will notify the Customer to obtain authorization to perform any repairs.

If, during the warranty period, as established by the date of shipment [and in the case of resale by a Fortress Solution Provider, commencing not more than (90) days after original shipment by Fortress], the Customer finds any significant defect in materials and workmanship under normal use and operating conditions, the Customer shall notify Fortress Customer Service in accordance with the Fortress Service Policies in effect at that time which can be located on the Fortress web site: www.fortresstech.com.
