About This Guide

The representations and meanings of operating procedures are as shown below.

Representation example	Meaning
(1 sec. or more)	Press for 1 second or more. * Pressing a key for a certain period of time, such as "1 sec. or more", is disabled for touch-operation.
[MENU] ▶ 8 [Setting & NW services] ▶ 7 [Clock & Other] ▶ 1 [Clock] ▶ 1 [Date & time] ▶ Set required items ▶ [Set]	On the stand-by display, press [MENU] and then press 8 7 1 1 . Successively, set required items, and then press . * You can select [MENU] or menu items with either key operation or touch operation. * Description in [] represents a guide line when using touch operation.

- In this manual, to select an item by placing the cursor with (Multi-cursor key) and pressing (Enter key) is referred to as "select". Regarding an operation to enter characters in the entry field, the final step of pressing [OK] is omitted.
- Description in this manual is based on default settings. If the settings are changed, the displays or operations of FOMA terminal may differ from the one described in this manual.

* The page shown here represents an example. Images may differ from actual page in this manual.

What you can do with F-02B

Guide

Guide is useful for checking an operating procedure of the function you want to use on FOMA terminal. Without Instruction Manual at hand, you can check quickly anytime and anywhere.

999

i-concier

i-concier is a service to use FOMA terminal conveniently in which a character on the stand-by display (Machi-chara) notifies you of useful information and schedules (i-schedule) can be downloaded automatically from a site.

International Roaming (WORLD WING)

While staying overseas, you can use the same FOMA terminal, phone number and mail address as those used in Japan (3G and GSM/GPRS Areas are supported).

Waterproofness/Dustproofness

999

Waterproofness of IPX5 and IPX8 (which exceeds IPX7) and dustproofness of IP5X are provided by firmly closing the external connection jack cap and installing the back cover in a locked state.

Kid-safe Mode

You can restrict usable functions, so you can let your child use FOMA terminal without anxiety.
