FUJITSU Scanner Control SDK Request Form (ScanSnap Scanners)

Thank you for your interest in the ScanSnap SDK. The SDK is free of charge. We want to make sure you are successful in your implementation, please take the time to fill out this form.

**ScanSnap creates PDF or JPEG images via the ScanSnap driver; it does not utilize a TWAIN driver. If you need a TWAIN driver, please request the fi-Series scanner SDK.

1) Which model of ScanSnap do you currently own? We request you have at least one current model.

2) Are you interested in ScanSnap desktop or ScanSnap mobile integration?

ScanSnap Desktop

ScanSnap Mobile
