

## Fj869 Quick Start

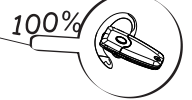

### How to Power On/Off your Headset

#### To Power Your Headset On/Off

##### Action:

Press and hold the multifunctional Button for 5–6 seconds until you see a solid red & blue light, then release.

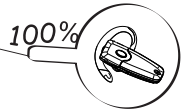

### Pairing Your Headset and Phone

#### With the headset and phone near each other:

##### Action:

- 1 With headset off, hold multifunctional Button for 5–6 seconds until the red & green light on LED will be flashed alternately.
- 2 Perform a device discovery from the phone. For details on device discovery for your phone, refer to the phone's user's guide. When the scan is complete, the phone displays the devices found.
- 3 Select the Fj869 from the discovered devices list and confirm following the on screen prompts.
- 4 When prompted by the phone, enter the passkey 0000 and confirm to pair the headset with the phone. The device ID is now stored in the phone's memory. Pairing is successful when the headset indicator flashes several times rapidly.

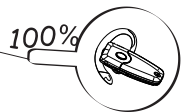

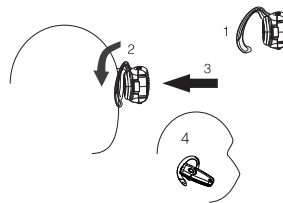

### Wearing Your Headset

**Note: When shipped, the headset is set up to wear on your right ear.**

#### To place the headset on your ear:

##### Action:

- 1 Open the earhook (90 degree from the headset)..
- 2 Loop the earhook behind your ear..
- 3 Press the headset to your ear.
- 4 Point the microphone toward your mouth.

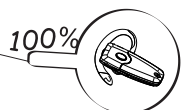

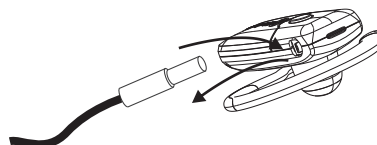

### Charging Your Headset

#### Action:

Fj869 Bluetooth headset uses a rechargeable battery that must be charged fully before you use the headset for the first time.

1. Plug the AC charging adaptor into the headset's charging socket.
2. Plug the AC adaptor into the electrical outlet.
3. Charge is completed until the red light on the indicator will be quenched automatically
4. The bluetooth headset will be fully charged in approximately 2 hours.
5. Remove AC charging adaptor from the headset.
