● 注意說明

You must pair the phone with your headset. After the initial pairing, you just need to turn the head set on and off when you need it. It will automatically reconnect when you turn the headset on (make sure the Bluetooth function on your mobile phone is on). If you wish to use the headset with another mobile phone, you must repeat the pairing process with the new phone. In this case, the Bluetooth headset will no longer be paired with the former phone.
