## Buttons Function

- **Play / Pause**: Press
- **Re-Call**: Press 2 times
- **Answer / End Call**: Press
- **Volume Up / Down**: Long press or Press
- **Skip Up / Down**: Press or Press
- **Power On / Off**: Hold for 3 seconds
- **Disconnect Device**: Press for 3 seconds

## Included Items

- USB Cable
- Carabiner
- AUX Cable

## Charging

Connect the included USB cable to the AC Adapter to charge your speaker’s internal battery. A full charge takes approximately 2 hours.

## AUX IN

You can also use the included 3.5mm Auxiliary cable to connect audio devices through the AUX in port on your speaker.

## LED Light

When charging, an orange LED light will illuminate. The orange light will turn off when your unit is fully charged.

## Carabiner

You can use the included carabiner to attach the speaker to your backpack or bicycle, etc. to enjoy the music when you’re outdoors.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.
