

H840 Media Device

**Important
Product
Information**

WHAT YOU'LL FIND IN THIS BOX

1. H840 Media Device.

Your H840 Media Device plugs into any HDMI port on your TV, and uses your existing Wi-Fi network to stream video from the internet to your TV. The H840 Media Device is controlled from devices on the same Wi-Fi network, such as smart phones, tablets, or computers, and is powered using the USB cable (#2, included).

2. USB cable. The USB cable provides power to your H840 Media Device. One end plugs into your H840 Media Device, and the other end plugs into either a USB port on your

TV, or the power supply (#3). **DO NOT PLUG THE USB CABLE INTO A PORT LABELED "SERVICE"; IT MUST BE LABELED "USB" OR DISPLAY THIS SYMBOL:**

3. Power supply. The power supply is **optional**, and can be used with the USB cable to power your H840 Media Device if your TV does not have a USB port.

4. HDMI extender. The HDMI extender is **optional**, and can be used if your H840 Media Device does not fit directly into your TV. The H840 Media Device app may also recommend using it to improve your Wi-Fi reception. Plug one end into your H840 Media Device, and the other end into your TV.

5. HDMI adapter. The HDMI adapter is not used, and is only included for regulatory compliance.

WARNINGS TO USERS

H840 Media Device may get hot to the touch; this is normal. Unplug H840 Media Device's power source and let it cool before removing it from your television.

Use only the cables provided with your device to plug H840 Media Device into a power source. Using other cables may damage H840 Media Device and/or your television.

Do not expose H840 Media Device to water or extreme conditions (heat, cold, dust), as H840 Media Device may malfunction or cease to work when exposed to such elements.

Do not attempt to disassemble or repair H840 Media Device yourself. Doing so voids the limited warranty and could harm you, your television, and/or H840 Media Device.

H840 Media Device is an entertainment device; it is not designed, manufactured or intended for use in hazardous environments requiring fail-safe

performance in which the failure of H840 Media Device could lead directly to death, personal injury, or severe physical or environmental damage.

H840 Media Device LIMITED WARRANTY

Google Inc. ("Google") warrants the H840 Media Device (which includes the H840 Media Device device and the ancillary parts packaged with it) against defects in materials and workmanship under normal use for one year from the date the H840 Media Device is first purchased by an end user (collectively, the "Limited Warranty").

This Limited Warranty is only valid and enforceable in countries where the H840 Media Device is sold. This Limited Warranty only applies to hardware components, and Google does not provide any warranty for damage caused by normal wear and tear, accidents, misuse (including failure to follow product documentation and plugging the device or other included parts into the wrong type of port), neglect, disassembly, alterations and external causes such as but not limited to extreme thermal or environmental conditions (including but not limited to

moisture and heavy dust). This Limited Warranty does not guarantee that use of the H840 Media Device will be uninterrupted or error free.

EXCLUSIVE REMEDY: If a defect arises and you return your H840 Media Device during the one-year warranty period, Google will, in its sole discretion and to the extent permitted by law, (1) replace the defective H840 Media Device with a new or refurbished device with functionality at least equivalent to the defective device; or (2) refund the user the amount paid for the H840 Media Device (not including any shipping or handling amounts). If Google replaces any H840 Media Device, the replaced device will continue to be warranted for the remaining time of the original warranty period. All returned parts for which you have received a replacement will become the property of Google. To make a warranty claim, please contact Google Play Support at <http://support.google.com/googleplay/>.

In order to qualify for the remedy above, you must provide your name, contact information, and the serial number of your H840 Media

Device. In certain situations, you may also be required to provide a purchase receipt.

THE LIMITED WARRANTY WRITTEN ABOVE IS THE ONLY EXPRESS WARRANTY GOOGLE PROVIDES FOR THE H840 Media Device, AND THE ABOVE REMEDY IS YOUR SOLE REMEDY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER STATUTORY OR IMPLIED, REGARDING THE H840 Media Device, EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT ARE LIMITED IN DURATION TO THE ONE-YEAR PERIOD OF THE EXPRESS WARRANTY ABOVE.

Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "GOOGLE PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY

THEORY OF LIABILITY (WHETHER CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT MAY BE INCURRED BY YOU IN CONNECTION WITH THE H840 Media Device OR THESE TERMS, INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A GOOGLE PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE GOOGLE PARTIES' TOTAL LIABILITY IN CONNECTION WITH THE H840 Media Device OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID GOOGLE FOR THE H840 Media Device.

Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

No employee or representative of Google or its affiliates or any third party is authorized to make any modification, extension or addition to this

Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the remaining terms of this Limited Warranty will remain in full force and effect.

This warranty gives you specific legal rights, and you also may have other rights which vary from State to State.

LICENSES AND END USER NOTICES

This product contains technology subject to certain intellectual property rights of Microsoft. Use or distribution of this technology outside of this product is prohibited without the appropriate license(s) from Microsoft.

Content owners use Microsoft PlayReady™ content access technology to protect their intellectual property, including copyrighted content. This device uses PlayReady technology to access PlayReady-protected content and/or WMDRM-protected content. If the device fails to properly enforce restrictions on content usage, content owners may require Microsoft to revoke the device's ability to consume PlayReady-protected content.

Revocation should not affect unprotected content or content protected by other content access technologies. Content owners may require you to upgrade PlayReady to access their content. If you decline an upgrade, you will not be able to access content that requires the upgrade.

H840 Media Device was designed by Google, Inc. of 1600 Amphitheatre Parkway, Mountain View, California 94043 and assembled in China.

NOTE ON INTERFERENCE IN A RESIDENTIAL INSTALLATION

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. H840 Media Device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If H840 Media Device does cause

harmful interference to radio or television reception, which can be determined by plugging in, then unplugging, H840 Media Device, the user is encouraged to try to correct the interference by reorienting or relocating the receiving antenna and/or consulting the dealer or an experienced radio/TV technician for help.

H840 Media Device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) the device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate H840 Media Device or warranty.

Model. H2G2-42
FCC ID: A4RJ2G2-42
IC: 10395A-H2G242

To satisfy FCC and IC exposure requirements, a separation distance of at least 20 cm should be maintained between the antenna of this device and persons during device

operation. Operations at closer than this distance are not recommended.

The antenna used for this transmitter must not be co-located in conjunction with any other antenna or transmitter.

**INDUSTRY CANADA (IC)
NOTICES
AVIS D'INDUSTRY CANADA (IC)**

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme aux normes CNR exemptes de licence d'Industrie Canada. Le fonctionnement est soumis aux deux conditions suivantes: (1) cet appareil ne doit pas provoquer d'interférences et (2) cet appareil doit accepter toute interférence, y compris celles susceptibles de provoquer un fonctionnement non souhaité de l'appareil.

Under Industry Canada regulations, the radio transmitter(s) in this device

may only operate using an antenna of a type and maximum (or lesser) gain approved for the transmitter by Industry Canada. To reduce potential radio interference to other users, the antenna type and its gain should be so chosen that the equivalent isotropically radiated power (e.i.r.p.) is not more than that necessary for successful communication.

Conformément à la réglementation d'Industrie Canada, le présent émetteur radio peut fonctionner avec une antenne d'un type et d'un gain maximal (ou inférieur) approuvé pour l'émetteur par Industrie Canada. Dans le but de réduire les risques de brouillage radioélectrique à l'intention des autres utilisateurs, il faut choisir le type d'antenne et son gain de sorte que la puissance isotrope rayonnée équivalente (p.i.r.e.) ne dépasse pas l'intensité nécessaire à l'établissement d'une communication satisfaisante.

The radiated output power of the Wireless Device is below the Industry Canada (IC) radio frequency exposure limits. The Wireless Device should be used in such a manner such that the potential for human contact during normal operation is

minimized.

La puissance de sortie émise par l'appareil de sans fil est inférieure à la limite d'exposition aux fréquences radio d'Industry Canada (IC). Utilisez l'appareil de sans fil de façon à minimiser les contacts humains lors du fonctionnement normal.

The Class B digital circuitry of this device complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
