PT-3BLF

Personnel Tag with Push Button

FEATURES:

- 12 Month battery life
- Push button for alerts
- Temperature sensor
- Waterproof, IP68

DESCRIPTION:

The **PT-3BLF** is an active tag designed for use in healthcare and industrial settings. The tag includes a push button that can be used to call for help in the event of an emergency or accident experienced by the tag holder.

The tag is compatible with GuardRFID's AllGuard platform for real time location and security features. Warnings and alarms can be generated based on the location of the tag and the activation of the push button on the tag.

The tag is designed for use with the GuardRFID Staff Duress and Employee Mustering solutions.
