

Pullman Ermator

T4000 3P HEPA Dust Extractor

Powerful dust separator suitable for fine dust.

T4000 is one of the newest members of Ermator's T-line. The 230V, 3-phase motor provides 280CFM and 125" of water lift. The high water lift secures high suction secures high suction power to small and mid-size, low voltage concrete grinders, scarifiers, saws and shot blasters.

A powerful dust separator suitable for fine dust. **Can handle building, grinding, plaster and concrete dust.** Equipped with a fine filter (flushable) and H13 filter which meets the asbestos requirements. An hour counter and vacuum meter for filter control are supplied as standard. The wheels are non-marking, puncture free and lockable at the front. Supplied fitted and complete with cleaning equipment and transport protection.

The T4000 features a large pre-filtration surface, long lasting suction power and low filter cost. Individually tested and certified HEPA filters provide a safe environment for the operator and other job site workers.

Like all Ermator vacuums, T4000 is equipped with drop down disposal, Longopac collection system, JetPulse filter cleaning and a manometer

50 square feet of pre-filter: conical shape maximizes air flow, minimizes interruptions and cleans efficiently.

Two HEPA Filters: Each HEPA filter is tested and certified to have a minimum efficiency of 99.99% at .3 microns

- Jet Pulse: for efficient filter cleaning
- Strong, ergonomic handles: also good for truck loading Large ergonomic handles for easy tilt, transfer and loading, especially up and down steps.
- 2.5-inch hose inlet: with tight air seal
- Two tested and certified HEPA filters: each mounted above a single vacuum motor.
- Longopac Dustless: drop-down disposal via Longopac bag system
- 10-inch Rear Wheels: non marking
- Front Swivel Casters: 4-inch, lockable

The T4000 Features Longopac[®]

A drop-down dustless disposal system

Pull the bag down.

Attach two ties with a 5" gap

Cut between the ties.

T4000 Specifications

CFM:	280
HP:	5
Amp:	14.8
Volt:	230, 3-phase
Water lift:	125
Weight:	181
Product code:	201000671
