

## Achieving SMART Results

*Louisville, KY*

Wednesday, May 14, 2014  
11:30am - 1:30pm EDT

Join Advanced Solutions for a complimentary lunch and hands-on learning experience, showcasing the latest collaboration technology from Advanced Solutions and SMART Technologies.

### *What if you could...*

- *Minimize or eliminate re-scheduling issues and unnecessary re-work?*
- *Improve communication both in and out of your organization?*
- *Transform your design review process to deliver high-quality projects on time and on budget?*

*Representatives from Advanced Solutions and SMART Technologies will be available to provide one-on-one demonstrations and answer questions.*

### *Agenda:*

- *Advanced Solutions & SMART Technologies partnership*
- *SMART Design Review – A complete solution for AEC projects*
- *The SMART Design Review workflow for AEC project teams*
- *Hands on test drives of SMART Board interactive flat panels*
- *Q&A*
