

About Advanced Solutions

Advanced Solutions is an Autodesk Platinum Partner with 2D and 3D design software enterprise integration expertise in architecture, engineering, construction (AEC), infrastructure and advanced manufacturing. As an Autodesk Authorized Training Center (ATC), Advanced Solutions offers a variety of innovative training solutions including our PILOT (Professional Instructor Live Online Training) program.

Since 1987, Advanced Solutions has focused its business model on helping customers realize industry leading return on investment with their 2D and 3D design software. Beyond the box of software, Advanced Solutions helps customers gain a competitive advantage through innovative design software work flows, enabling customers to realize higher revenues and improve operational efficiency.

Why Should You Choose Advanced Solutions?

- **Autodesk Platinum Partner** – Ability to deliver the highest rated level of solution expertise, service, support, and customer satisfaction in the Autodesk channel.
- **Industry Expertise & Advanced Specializations** – Real world experience with design methodologies such as Building Information Modeling (BIM) and Digital Prototyping across the AEC and Manufacturing industries. Autodesk Advanced Specializations in Factory, MEP, and Simulation.
- **Autodesk Authorized Training Center** – Providing top-quality, professional training and certification programs which meet Autodesk's rigorous standards of training excellence.
- **Proven Capability & Longevity** – A recognized industry leader in design and engineering software technology solutions for over 25 years.
- **Client Driven** – A dedicated Customer Care team focused on delivering outstanding customer service and building partnerships with our clients to solve their business challenges.
- **Professional Services** – From system implementation to custom training, workflow consulting, and software engineering, Advanced Solutions can support any Autodesk software-related need.
- **Technical Support** – Providing prompt, dedicated support for the Autodesk product line via phone, email, and online. Autodesk Product Support Specialized.
