5.10 When CPU in high-speed operation, especially in 3D games or in long time playback high-definition video, the fuselage will have the phenomenon of fever

Chapter Six ：Hardware configuration

Size: (long x width thick) ：201.5*157*10.1mm
CPU processor speed: Rockchip 3066, Cortex A9, Single Core ,1.5GHz
GPU：Mali-400, with 3D accelerator
This machine capacity: 8G
Memory: 1GB
Storage card: TF 128M-32 G
Screen: 8'' capacitive multi-touch screen
Resolution: 1024* 768 pixels
Battery type and capacity: rechargeable polymer battery: 4000 mAh
USB: high speed USB2.0 micro, OTG connecting peripherals
Gravity sensor: 3D
The tape: built-in microphones head
Software configuration
Operating system: Android 4.1.1
Video: AVI,MPG,MKV,RM,RMVB,MP4,MOV,VOB,DAT,FLV,TS,3GP,WEBM（VP8）etc
Music: MP1,MP2,MP3,WMA,WAV,OGG,OGA,APE,FLAC,AAC,M4A,3GPP
Pictures: JPG,BMP,PNG etc
E-book: TXT, EPUB, PDF,WORD,EXCEL, POWERPOINTS

CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help
