Sirs,

Harman/Becker Automotive Systems GmbH hereby confirms that our customer AUDI AG will place both of the FCC statements (§15.19 Labelling Requirements)

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."

and (§15.21 Information to the User)

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

in a prominent location in the user's manuals for the North American Market.

Do not hesitate to contact M.Strohwald if you have any additional questions.

Yours sincerely,
Harman/Becker Automotive Systems GmbH
