⚠ WARNING

To prevent possible SERIOUS INJURY or DEATH from electrocution or fire, the light control is ONLY for indoor use.

NOTICE: To comply with FCC and or Industry Canada rules (IC), adjustment or modifications of this receiver and/or transmitter are prohibited, except for changing the code setting or replacing the battery. THERE ARE NO OTHER USER SERVICEABLE PARTS.

Tested to Comply with FCC Standards for Home or office use. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

MODES OF OPERATION

The module can be programmed to a remote control, a garage door opener, or a MyQ™ Gateway device.

REMOTE CONTROL OPERATION:
Allows you to activate the module from a remote control.

GARAGE DOOR OPENER OPERATION:
Allows you to synchronize the module with your garage door opener light bulbs.
Example: *The garage door opener light bulbs are set to automatically turn off after 4 ½ minutes, the module will also turn off after 4 ½ minutes.*

MyQ™ GATEWAY OPERATION:
Allows you to activate the module from a web browser (requires a MyQ™ Gateway device).
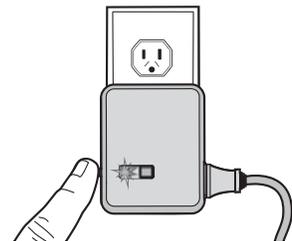

INSTALLATION & PROGRAMMING

1 Plug the lamp into the module and plug the module into an electrical outlet (the LED on the module will flash). ***NOTE:*** *Make sure the lamp is switched ON.*

**2** If the lamp is not ON, press and release the Power button on the module to turn the lamp ON.

**3** Press and release the Learn button on the module (the LED on the module will light).

**4** Press the following (depending on the mode of operation):
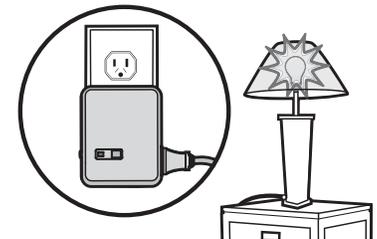

Button on Remote Control

Learn Button on Garage Door Opener

Learn Button on MyQ™ Gateway device

The lamp's light bulb will blink and the LED on the module will turn OFF when the device has been programmed.

TO ERASE ALL PROGRAMMING

Press and hold the Learn button on the module for 6 seconds. All programming is now erased.

ONE YEAR LIMITED WARRANTY

The Chamberlain Group, Inc. warrants to the first retail purchaser of this product that is free from defect in materials and/or workmanship for a period of 1 year from the date of purchase.
