HDMI adapter

Connect your TV Stick

Connect one end of the power cable into your TV Stick and the other into the power adapter. Plug your TV Stick into the HDMI port on your TV, then plug the power adapter into a nearby electrical socket. Turn on your TV, then select the appropriate HDMI input.

Use the included HDMI cable to improve Wi-Fi and remote performance, or if you have trouble fitting your TV Stick into an HDMI port on your TV.

Complete the on-screen set-up

Using your Remote Control, follow the on-screen instructions to choose your language, select your Wi-Fi network and register your device.

***Wi-Fi tips and troubleshooting**

For best Wi-Fi performance, use the 5 GHz band on your wireless router if available.

If you see a lock icon, your Wi-Fi network requires a password, so make sure you have it available.

Ensure your internet is working properly. Restarting your router and modem will solve most Wi-Fi network issues.

Do not place your wireless router or Fire TV Stick in a cabinet, as it may impact Wi-Fi signal strength.

Some Wi-Fi issues may be improved by connecting the included HDMI extender.

Remote Control Repairing

Before the begin, open the back of the Remote Control and insert the batteries.

Press and hold the OK and VOL- button for 3 seconds to pair the Remote Control, keep Remote Control near to TV Stick.
