Thousands of Streaming Channels

The new High Dynamic Range 4K Hitachi Roku TV R70 Series delivers a truly extraordinary smart TV experience. With the Roku OS streaming experience built right in, you can stream just about anything. Choose free content, paid subscriptions or rent or buy-it's all on demand, and on your terms. Access 500,000+ paid or free movies and TV episodes, including blockbusters, broadcast, live sports, news, kids' programming and music, across channels like Netflix, Amazon Video, Hulu, Google Play, VUDU, and PBS KIDS.

Set-up is effortless, with a simple interface that makes navigation easy. A personalized Home screen makes it easy to access everything from one place - streaming channels, cable and satellite, Blu-ray™ players, gaming consoles are just one click away -- no more wading through inputs. Innovative features save you time and money, like unbiased search across top channels that shows you where content is free or cheapest to watch

Your iOS or Android phone is also a perfect companion to your HDR 4K Hitachi Roku TV. Use Roku's powerful mobile app as a remote, browse or add channels and send video, music, photos and more to your TV. You can even search by text or voice to find your favorite movie or TV show quickly.
