Front Back

- ① Front Camera
- ② Power Button
- ③ Headphone Jack
- ④ Micro USB Port
- ⑤ DC Input
- ⑥ Micro SD Card Slot
- ⑦ Volume
- ⑧ Rear Camera
- ⑨ Speaker
- ⑩ Reset

Charging the battery:
Connect the tablet to a wall outlet using the included AC adaptor.

Turning on the tablet
Press and hold the On button until the startup screen appears.

Power off the tablet
Press & hold the On button until the "Power off" option appears.

Lock the tablet (standby)
Briefly press the On button. Lock the device to conserve the battery.

Unlock the tablet
Slide the "Lock icon" to the right.

Battery Tips:

- Turn off Wi-Fi when it's not in use.
- Lock the tablet the display in off to shorten charging time.
- To optimize battery time and performance, adjust the "Brightness" and "Screen timeout" options in the Settings app.

Setting up Wi-Fi
To browse web sites, use e-mail and download apps, you must first connect the tablet to the internet.

To set up Wi-Fi:

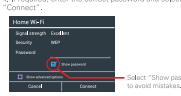

1. Swipe the Home screen to the left to access the Settings widget.

Settings widget

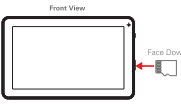

2. Select "Wi-Fi Setup".
3. Select a network.
4. If required, enter the correct password and select "Connect".
5. When the tablet is connected to a network, the Wi-Fi icon will appear on the Status Bar and "Connected" will appear under the selected network.

To conserve battery life, turn off Wi-Fi when not connected to a network.

Downloading apps & other app stores
Your tablet includes an app store with access to a large library of free & paid apps and games. However, for your convenience, we have provided links to several other app stores that can be easily accessed by selecting the "Download App Stores" option on the Settings widget.

1. After successfully connecting the tablet to Wi-Fi, select "Download App Stores" on the Settings widget.

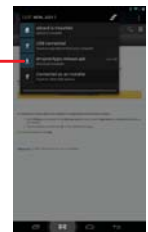

Settings widget

2. Select an app store, and follow the instructions to download and install it on the tablet.
3. Click here.

app store options

5. Select "Install" to install the app.
6. The app store appears on the Apps screen.
